## Boy Scouts Help Make Christmas Gift Possible

By BILL HINES

Merchants of Orinda, aided by Boy Scouts, this week gave the community a Christmas gift its donors hope will be as pretty in July as December, and grow into a permanent contribution to the greater beauty of the business district.

The $2000 present was too big to be put in a package, but it will still be tied with pretty red bows.

The gift consists of 50 redwood tubs in which are being planted Texas privet trees.

**TWENTY-SEVEN** of them added their dark green to the beauty of Orinda's Christmas this week, lining Orinda sidewalks. The remainder will be in place by Monday, said Stanley Allen, co-chairman with Mrs. Paul Pollaczek of the Orinda Beautification Committee.

Allen, Ramsey Underwood, Tommy Horton and Donald Breed set up the plan under which merchants were asked to contribute to the project.

Actual solicitation of merchants was handled by Allen and Underwood. Merchants gave more than $1000 in gifts ranging from $20 to $200.

The redwood tubs would have cost $25 each. The volunteer carpenter service by Boy Scout Troop 244, its activities directed by Raffi Bedayn, meant that cost was reduced to the price of the lumber itself—$14 a tub.

**"ALL CREDIT** is due Mr. Bedayn and those Boy Scouts," Allen said. "Without them, I don't think we'd ever have been able to do the job."

The Scouts and Bedayn Saturday built 27 tubs. Tomorrow they'll return to the project and finish the job, making enough tubs to line streets not only of the Crossroads, but The Village and the Village Shopping Center.

Members of the Orinda Art Center have been busy decorating the tubs with rainproof plastic red bows.

Mrs. Pollaszek described the Texas privet as a tree with "glossy dark green leaves which have a low wilting point—they're very drought-resistant."

Nevertheless, Allen said, the trees will need care, and exactly how it will be worked out is still a small problem.

**MERCHANTS WHO** have hose connections near the sidewalk, it is hoped, will waterthe trees of the store next door which may have no handy water connection.

"If this voluntary sort of care doesn't work out—and I think it will, because ladies of the Orinda Garden Club plan to police the project—we'll have to hire someone to water the trees," Allen said.

Last year Orinda merchants invested in "Santa Clauses" made of hardpressed board. None the worse for one year's use, the Santa's were brought out to decorate sidewalks again this year.

**WITH GREEN** trees and Santas, Orinda's commercial section is beginning to be as attractive, in its own way, as the community's residential areas.

Boy Scouts who, with Bedayn's help, are making the tubs, are:

Rob Nickerson, Bill Gracey, Rob Bedayn, Rick Bedayn, Greg Bedayn, Chuck Worth, Jim Trumbly, Tom Eggerston, Mike Henning, Payton Jacob, Bob Ternes, Brad Green.

Don Littleton, Walter Palmer, Chris Nederson, Bob Wagers, Peter Kimball, John Locke, Bob Anderson, George Kendall, Don Faries.

## Highway Patrol Drive On Reckless Drivers Started

Captain Russell R. Magill, head of the California Highway Patrol's area office in Contra Costa, today issued an appeal to all motorists in the area to use extra care and caution while driving during the coming holiday season.

"The tragedy of a fatal traffic accident, great as it is throughout the year, is magnified when it occurs during the Christmas season," Magill declared.

"Any traffic law enforcement officer who has ever been called upon to perform that most difficult of all duties—to inform a person that a loved one has been killed—knows what this tragedy means. But he doesn't know it nearly as well as the victim's loved ones."

The highway patrol official said he has completed plans for a maximum enforcement program during the holidays. Particular attention, he said, will be given by his officers to the more hazardous, accident-causing violations.

"Excessive speed and right-of-way violations are two of the most frequent causes of traffic accidents. We will be especially alert for these infractions.

"We will also be attentive to those drivers who have been drinking because we want to get them off the highways before they get themselves and others into serious trouble," Magill declared.

## Mystery Woman Sought In Anderson Killing

The latest lead in the William Roy Anderson murder investigation is a rendezvous the Orinda resident had with a "mystery woman" a few days before he was shot to death with a .22 revolver on his doorstep, according to detectives of the county sheriff's department.

An attendant at Terminal Garage at 150 First Street, San Francisco, said that a woman met Anderson there on either November 19 or 20, and drove away with him in his car.

He said that the woman had arrived before the collection agency executive, and waited there for him.

**SHERIFF'S** Inspector Ray Stoffels said that a search for the woman began this week.

Observers say that the woman is a San Francisco resident. About 15 other women have been linked to Anderson, and they have been questioned by the investigators.

The investigators have also opened Andersons safe deposit box at the Orinda Bank of America, but nothing of special significance was found.

Sheriff Harry Brown had earlier announced that he would take over the investigations, and some newspapers quoted him as calling his assistants, "keystone cops."

**LATER BROWN** said he considered his inspectors, Stoffels and Norman Wilson, as very capable, and said they will continue to handle the investigation.

A number of leads have been followed up by the detectives.

Mrs. Anderson was the only other person in the house, when her husband was shot, after he answered the door bell.

The bullet that killed Anderson has not been found but the shell case has been found. The search continues.

Anderson was killed on November 25. His address was No. 1 Las Aromas Drive, Orinda.

## Chamber Mgr., Sheriff's Deputy Solve 'Problem'

The Orinda Chamber of Commerce and the Contra Costa Sheriff's Office responded Wednesday to complaints from residents of magazine salesmen who were "insulting and demanding."

Clarence Betz, secretary manager of the chamber, after receiving numerous phone calls complaining of the salesmen, called in Deputy Sheriff William Faulkner.

**WITHIN MINUTES** the salesmen were apprehended by Faulkner and brought into the chamber office.

Here, Betz and Faulkner confronted the salesmen with their own sales pitch.

They had claimed to have been selling magazines, the proceeds from which would go to the Oak Knoll Naval Hospital.

Also the salesmen posed as future businessmen of the community who had been sponsored by the Orinda Chamber of Commerce secretary-manager and several of the chamber's directors.

**BETZ POINTED** out that he was not out to put the enterprising salesmen out of business, but just trying to insure they gave out correct information to prospective buyers.

Faulkner agreed with Betz's statements and made mention of several laws which may have been violated.

Betz and Faulkner reported that the two salesmen were last seen "Making tracks for the western end of the tunnel."

## 'Missing Link' is 30% Complete, Progressing

The Orinda-Lafayette "missing-link" is now 30 per cent complete, according to the resident engineer for the $3,662,000 project which began last August.

The contract was awarded to Gordon H. Ball Inc. of Danville and Ball and Simpson of Berkeley, and is the basis for a joint effort by the two companies.

Some 600,000 yards of earth already have been moved, and sub base on the highways has begun.

How long such progress will continue depends on how long the dry weather holds up, resident engineer J. D. Collins of Oakland told The Sun.

When the rains begin, most of the work will grind practically to a halt, except for the bridge work and interchange construction.

Work has already begun on the two interchanges planned.

One is at Charles Hill Road, and will take cross-traffic over the main highway. The other is at Acalanes Road, and will serve Upper Happy Valley Road. It will take cross-traffic under the highway.

Completion of the 2.1 miles of freeway and structures is scheduled for the end of next year.

When completed, the six lanes of freeway in Orinda will be carried all the way to the El Nido interchange.

## You Cannot Renew Books By Phone

Effective immediately, the practice of renewing books by telephone is discontinued throughout the Contra Costa County Library system, according to Mrs. Bertha D. Hellum, county librarian.

Today's accelerated use of the public libraries as information centers means that staff time and skills, the book collections, and all library service facilities must be organized to benefit the maximum number of library users, Mrs Hellum said.

"The county library staff has been reluctant to take this step," she said, "but we are realizing that library patrons, both adult and children cannot be given equitable basic library services including help in choosing books, locating magaznie articles, and supplying information, when so much of the librarians' time is spent answering the telephone to renew books."

County library statistics show 1957-58 increases of 30 per cent in number of reference questions asked, 32 per cent in number of special requests forwarded from local libraries to headquarters, and 14 per cent in number of books borrowed, over figures compiled for the previous year. Budget increase during the same period was 6/10 of 1 per cent.

Library books may still be renewed, with the exception of new fiction and books for which there are reserves, if the books are brought to the library from which they were borrowed.

## Anderson Widow Files Probate Will

Petitions to probate the will of William "Roy' Anderson, slain Orinda executive, were filed in Contra Costa Superior Court by his widow, Mayme.

Under the terms of the will, filed in April, 1955, the document leaves to the widow an estate of real and personal property valued in excess of $10,000.

Mrs. Anderson, according to the will, is to receive a monthly income from a trust fund at the Crocker Anglo Bank in San Francisco.

In the event of Mrs. Anderson's death, the remaining estate will go to Anderson's sister, Mrs. Ethel I. Clow of Woodacre, Marin County.

## New Directors Elected For Orinda Association

Mail ballots which have been received during the past two weeks were counted Wednesday night, resulting in the election of the following persons as directors of the Orinda Association:

Embree F. Hockenbeamer, Connie Hall, Philip Mittell, Dave Young, Vic Kingston and Lester Hink Jr.

**NEW DIRECTORS** will take office January 1 and serve with these holdover directors: Donald A. Anderson, Arthur Pedersen and Harry Booth.

Both new and holdover directors will meet December 22 in Orinda School to choose officers for the coming year.

**ART FLINT,** association president, said the late December election date was chosen so that new officers may begin serving as soon as the new year begins.

The 891 member families of the Orinda Association, composing a membership of about 1800, cast 381 votes in the director election, Flint said.

Between 25 and 30 ballots were thrown out, according to Flint, because they were postmarked after the deadline date of December 8.

Flint presided at the vote-counting session in Orinda School. Don Anderson, in charge of canvassing, was assisted by Eric Nielsen, Frank Eggertsen and Otto Schuchard.

**KINGSTON,** chairman of the Civic Affairs Committtee of the association, announced that the committee will meet Monday in Orinda School to choose a new chairman.

Flint reported the outstanding achievement of the association during the past year was completing transactions which gave it clear title to the 10-acre tract at the northwest corner of the Crossroads.

"The Orinda Association is holding this property in trust for the people of Orinda," he said. "We hope that through community efforts a community type of development may be achieved on this site.

"It might well start with a picnic grounds, then a youth center, and, later, other types of recreational facilities."

**PURPOSES OF** the Orinda Association, as disclosed by its bylays, are as follows:

1. To preserve the residential character of Orinda.
2. To maintain the high standards of its residential characteristics.
3. To encourage the development of a community spirit.
4. To promote projects leading to Orinda's moral, social and civic improvement.

## Shop in Orinda—It's Pleasant!

# Our Face Is Changing . . . And Things Look Better!

By DICK OSBORN

The face of our central county area is changing.

Obvious, board changes are taking place on the freeways, where gigantic structures appear almost, it seems, overnight.

Wide ribbons of concrete and steel are connecting our communities, and connecting all of us with the metropolitan areas to the west.

More and more people are commuting between areas —working in the business and industrial centers and living in the "sunshine" of our valleys and hills.

But the face of our area is changing in other ways, as well. Green walnut orchards are sprouting homes instead of walnuts, and grassy hills become laced with roads leading to terraced gardens and cantilevered porches.

How much our area is changing is really a matter of speculation, but the real estate and building industries in Contra Costa County tell some of the story.

The Multiple Listing Service—MLS—of the Contra Costa Real Estate Board showed a total dollar volume this year, as of the end of November, of $17,152,075. The yearly total is expected to show well over $19 millions.

This is a considerable gain over last year, which ended with a little under $16½ millions. -

And what will happen next year? Bill Hayward, local realtor and incoming president of the real estate board predicts that MLS sales will top $25 millions.

But even this does not tell the story. Hayward points out that many sales are carried out outside the listing service—perhaps half the real estate transactions in the area. This would indicate that we will do a husky $50 million business next year.

And what does it cost to buy a home in Central Contra Costa County? This, of course, depends on where you locate and what you want.

"You certainly wouldn't want anything that you can buy for much under $6000," commented Hayward, and that would be what I would call a "cottage" and it would be located in a fringe area.

"In the Walnut Creek-Pleasant Hill area, the average price is about $14,950, and this will buy you a home with three bedrooms and one bath, six to 10 years old, but generally in pretty good condition.

"In Lafayette, the average price is about $17,950 for the same thing—you might sneak in an extra half-bath though. Prices in Orinda for the same commodity will run about $22,000."

How much land is there available? Will the building and construction business keep going? Will there be new homes for the steadily increasing population?

"There's lots of land," Hayward said, "but the price is awfully high. Besides, there is the cost of utilities and off-site improvements. In many cases the cost to the builder is prohibitive."

And speaking of land . . . "You know," he continued, "people really like quarter acre lots. They come out here from the city because they like our weather, and the feeling of the country, but an awful lot of them have found that a half-acre is a lot of land to maintain."

And what of that which Bill Hayward calls the "bungalow business"—the resale of existing homes, which is the bread and butter of the real estate business?

"You'd be surprised how many people are changing houses," said Hayward. "Take the family that moved into Gregory Gardens in 1949—they paid about $8950 for their home, and now they've got at least a $6000 equity. This is a substantial start on a new home with three or four bedrooms, because chances are that they've pretty well outgrown that home by now.

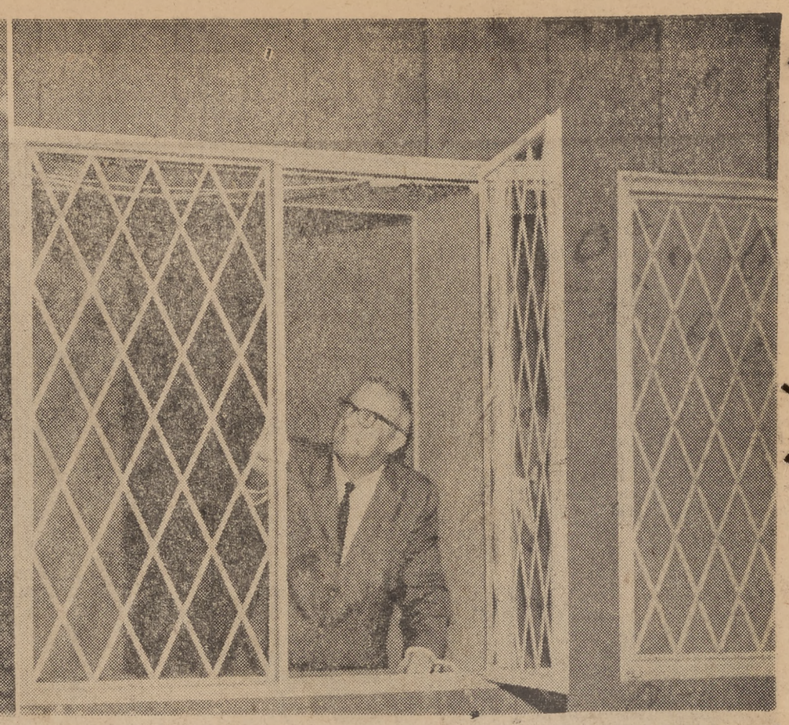
"So this kind of progression to larger homes goes on all the time. Funny thing is, it also works the other way. The family who is well established out here, finds the kids grown up and off to college, or with families of their own—this family finds itself with a four bedroom home and nobody living there but momma and poppa. Naturally they start looking around for something smaller. It works both ways."

And finally—what is the outlook for next year?

Says Hayward — It can all be summed up in one word:

"Fantastic!"

THERE'S A LOT OF DETAIL to quality construction, and John Osmundsen, contractor and builder, doesn't leave anything to chance. That beautiful walnut orchard in the background is typical of the fine sites available in Contra Costa County. This picture was taken at Crest Orchards, which is typical of the construction throughout the area.



AFTER THE HOME IS built, it has to be sol d, and that is the business of Bill Hayward, incoming president of the Contra Costa Real Estate Board. Here he's checking the facilities on one of the newer homes in the area. Approximately $19 million in sales went through the board's multiple listing service this year.—Sun photos by Richard Morse

## Supervisors Ask For Federal OK Of Airport Plans

The Contra Costa County Board of Supervisors Tuesday asked the federal government to approve construction plans for Buchanan Field.

On motion of Second District Supervisor Mel F. Nielsen, Lafayette, the supervisors asked the United States to sanction plans for $166,729 for construction of an aircraft control tower at the field just north of Pleasant Hill.

**THE COUNTY,** Nielsen said, expects to receive some $90,000 of the estimated cost in federal funds.

The county cost of facility construction would be some $75,696.

Robert Van Noord, assistant county administrator stated that the tower itself will cost some $88,000 while water, sewer and other connections to the proposed structure will cost an additional $42,000.

## Honor Court Is Held for Orinda Youths

A Court of honor was held recently for Robert Bowles and Charles Pfeifer of Explorer Post 300 in the Lafayette-Orinda Presbyterian Church, 49 Crest Road, Lafayette.

Robert, 15, is the son of Mr. and Mrs. Robert Bowles of 102 Orchard Road. He received his Explorers Silver Award. This is equivalent to the Eagle rank in scouting.

Charles, 16, is the son of Mr. and Mrs. H. J. Pfeifer of 155 Las Vegas. He will become an eagle scout.

Both boys attend Miramonte High School.

## Adult Center Registrations Have Begun

The Winter quarter of the Acalanes Adult Center will begin on January 5.

Registration for 65 classes began on December 1 and will continue through Thursday.

The Adult Center office is open Monday through Thursday evenings from 7-9:30 p.m. in the main office at Acalanes High School.

A copy of the complete schedule is now available in the adult office.

Registration will remain open after classes have begun and until they are filled.

So far this year more than 1850 adults have registered in one or more classes.

Because of this high interest it is recommended that students register early.

## Christian Science

The fact that God's care is ever present and ever available will be brought out in the Lesson-Sermon entitled "God the Preserver of Man" at Christian Science services Sunday.

The Christian Science Churches in this area are located at 22 Orinda Highway, Orinda; 1347 Locust Street, Walnut Creek; and in Concord at the corner of Grant and Park Street. Christian Science Society of Pleasant Hill holds its services at the Hillcrest Congregational Church on Gregory Lane.

Proof of this divine protection is emphasized in the scriptural account of Elijah's sojourn in the wilderness (1 Kings 19).

Passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include this (243:4-8): "The divine Love, which made harmless the poisonous viper, which delivered men from the boiling oil, from the fiery furnace, from the jaws of the lion, can heal the sick in every age and triumph over sin and death."

## Food Inspection Progress Related By Health Officer

All food establishments in Contra Costa County are now under a uniform ordinance except those in Antioch, County Health Officer H. L. Blum reported to the Contra Costa County Board of Supervisors Tuesday in Martinez.

Blum stated that a uniform county ordinance has been adopted by all the cities in the county, including Walnut Creek and Concord during the past nine months.

Dr. Blum said the ordinance with the inspectional and educational program is "proving to be very effective in providing safe and sanitary food service to the public."

The ordinance, first adopted by the county in June, 1957, applies to restaurants, grocery stores and other food selling and processing establishments not inspected by federal or state officials.

## School Bus, Car Crash; None Hurt

Some 300 Pleasant Hill High School students escaped apparent injury early Wednesday morning when a school bus collided with a car, according to the Concord Police Department.

The bus driver, Mrs. Katherin M. Wilson of 10 Viking Drive, Pleasant Hill, said the bus was carrying 28 passengers when it was struck by a car with three teenagers in it at Four Corners.

## Travelers from Thailand Visitors at Wilcox Home

Mrs. Grace Barsanti and her daughters, Janice, 10, and Lynne, 5, who have returned to the United States after three years in the Far East, are houseguests at the home of Mr. and Mrs. Thomas Wilcox, 5 Camino del Cielo, Orinda.

Mrs. Barsanti is Mr. Wilcox' sister.

The family traveled widely in the Orient, spending a year in the Philippines and long periods in Japan, but their permanent home was in Bangkok.

**MRS. BARSANTI** said that in villages in interior Japan. Japanese crowded around blond youngsters, touched their fair hair and skin unbelievingly.

Both children, who went to school in Bangkok, speak Thai and perform Thailand dances. They have a unique collection of foreign dolls.

In the Philippines, Mrs. Barsanti reported, parents train children to step in front of automobiles so that they will be struck, forcing the foreign driver to pay damages.

"Fabulous things," said Mrs. Barsanti, "all stolen from someone, are openly displayed in the Thieves Market in Bangkok."

The Barsanti home was robbed one Christmas eve. The Barsantis saw the departing thieves, stripped to the waist and smeared with dark grease to make identification and capture difficult, but didn't chance shooting them, although a gun was at hand.

**"IT'S AGAINST** the law in Thai," the traveler explained, "to shoot an intruder unless he's coming toward you. If he's making an exit, the law protects him."

Widely known in the Bay Area, Mrs. Barsanti lived for many years in Piedmont before moving to Bangkok. Her mother is Mrs. Francis Wilcox of Oakland. She also has a sister, Mrs. August Serboroli of Los Angeles.

The Barsanti family plans to remain at the Wilcox home in Orinda until mid-January before leaving for Europe and, later, Japan.

When in doubt while driving—slow down.

## Orindan 'Adopts' Girl in Belgium By Contribution

Mrs. W. W. Gay, 2 Monte Veda Road, Orinda, has financially "adopted" Filomena Causio, an 8-year-old Italian girl (in Belgium) through Foster Parents' Plan, Inc., 352 Fourth Avenue, New York City.

The foster parents will contribute $15 a month toward the child's support for at least one year.

Foster Parents' Plan has rehabilitated more than 76,000 children since its founding in 193[illegible]. It is now helping 11,500 youngsters in Greece, Italy, South Korea, France, Belgium, Viet Nam and in the DP camps of West Germany.

# Utility Pays Huge County Tax Payment

Pacific Telephone plunked part of a $1,700,000-plus property tax payment into various Contra Costa County coffers today.

The company turned over a check for $782,791.86 to Tax Collector Robert H. Kinney, as the first installment on PT&T's 1958-1959 property tax bill for general county, school and special district purposes.

Included in that amount were city taxes for Walnut Creek, $16,515.46.

An additional $112,511.92 has gone directly to cities who collect their own city taxes. These payments ranged from $55 to Hercules to $43,204.83 to Richmond. Martinez received its tax money last October.

Overall, Pacific Telephone's Contra Costa County property taxes for 1958-59 will total $1,728,450.66, according to PT&T Manager Howard Greenhalgh. He noted that it's an increase of $253,280.36—or 17.2 per cent—over last year's payments.

The second installments will be paid in April.

# Nejedly Seeks Full Time Practice Proviso for DAs

Contra Costa District Attorney-elect John A. Nejedly Tuesday night asked the Contra Costa County Civil Service Commission to revamp its eligibility list for deputy district attorneys.

Nejedly asked that the present eligibility lists be terminated and that the county hold new examinations including "the unqualified provision that deputies shall not in any way conduct private practice or be the recipient of incomes therefrom."

**NEJEDLY POINTED** out to the commission that the new examinations and requirements would be put into effect to "gradually and fairly eliminate the private practice of law by deputies."

Nejedly stated that he would seek pay increases to the policy of full time county employment.

**HE STATED** that these pay increases would be granted on the merit system.

The commission tabled action until its next meeting, next Friday, to discuss the proposed employment policies suggested by Nejedly and to further discuss wage adjustments.

The commission said that the canceling of existing eligibility lists would affect four attorneys who have passed the beginning deputy examination, but have not as yet been employed.

# Sheriff-Elect Discounts Brown's Election Charges

Sheriff-elect Walter F. Young of Lafayette flatly denied allegations by outgoing Sheriff Harry A. Brown that the November 4 general election for sheriff was not properly conducted.

Appearing before Superior Court Judge Norman A. Gregg in Martinez Monday will be Brown and Young at 10 a.m.

**REPRESENTING** Brown in his plea for a recount of the ballots in the sheriff's race is Robert Condon of the Martinez legal firm of Condon, Dolgin and Page.

Representing Young is George Gordon of the Martinez law firm of Carlson, Collins, Gordon and Bold.

Brown announced that he would take a week's vacation prior to the hearing Monday to take care of "Christmas shopping."

The sheriff is also taking charge of "new information and sidelights" to the Orinda mystery of the William "Roy" Anderson murder, he commented.

**YOUNG IN HIS** denial of the charges of irregularities filed by Brown stated that he was elected in the November 4 ballot by 1421 votes.

Gordon, on behalf of Young denied all counts of Brown's petition for recouont.

Some of the statements by Young are that:

- In Pacheco Precinct 6—(in Pleasant Hill) where Brown alleged that an inaccurate count was made—Brown received 98 votes as against 71 for Young, out of a total number of 175 ballots.
- In Pacheco Precinct 7—(in Pleasant Hill) where Brown charged that separate groups of tellers counted different groups of ballots, Brown received 117 votes, Young 90, out of a total of 213 ballots.
- In Crockett Precinct 4—where Brown alleged there was "a total number of ballots cast for sheriff in excess of the amount of ballots indicated as cast at the entire precinct"—Brown recevied 88 votes, Young 89, out of a total of 211 ballots at the precinct.

In a demurrer filed with his answer, Young emphatically denies that ballots were brought "from several precincts" "in separate containers and not in the official canvas bag," as alleged by Brown.

In general, Young declared that Brown's ctatement of allegations "does not state facts sufficient to constitute a cause of action or grounds for the contest of the election."

Along with the answers and demurrer, Gordon filed notice of motion to dismiss Brown's statement.

# Yule Meal Problems for Dieters? Here's Help

The Christmas feast often poses problems for people whose physicians prescribe a diet low in sodium. And the meal-planner is confronted with extra work if she must prepare two sets of meals to provide for the dieter.

Those faced with this problem are offered help by the Contra Costa County Heart Association.

A holiday menu, complete with recipes for preparing foods suitable for the heart patient on a sodium-restricted diet, is available free.

Many heart patients in Contra Costa County are on sodium-restricted diets prescribed by their physicians, according to Dr. Harold Robinson, chairman of the special diet committee for the County Heart Association.

The menu features the traditional Christmas turkey, along with the usual trimmings. Recipes omit salt and substitute flavorful herbs, spices and other seasonings in the preparation of low sodium dressing, orange pineapple mashed sweet potatoes and cranberry salad topped with pumpkin pie.

Dishes are so palatable they may be served to the entire family as well as the patient. Individuals may add salt or butter to the prepared dishes at the table or some homemakers may wish to prepare two portions, adding salt and butter to the family portion.

Menus and recipes are available from the Contra Costa County Health Association, 2030 North Main, Walnut Creek, or by calling YEllowstone 5-1060 or Enterprise 1-1929.

# Hall of Records Rebuild Job OKed by Supervisors

The Contra Costa County Board of Supervisors has ordered a $64,500 remodeling of the County Hall of Records in Martinez.

The action Tuesday, according to Joseph P. McBrien, county administrator, will provide space for the county's sixth superior court which is now located in Richmond.

**THE COURT** will move into the first floor offices of the Public Works Department. That department will move to the basement which has been vacated by the County Library.

The administrator's office will take over the press facilities on the second floor of the county hall of records.

The library is currently in rented space in Martinez until it moves into the proposed library center in Pleasant Hill.

**THE PLEASANT HILL** structure, to be located at Oak Park Boulevard near Pleasant Hill High School, will house a health department clinic and the county superintendent of schools office, in addition to the library department.

McBrien stated that he is considering further remodeling of the hall of records.

He noted that plans are underway to move the county personnel section to the first floor of the new county health building and using that vacated space for the county's sixth superior court which is expected, by observers, to be created by the next session of the legislature.

# Fencing of Contra Costa Canal Ordinance Proposed

Fencing of the ever dangerous Contra Costa Canal will be under discussion by the Contra Costa County Board of Supervisors Tuesday at 2 p.m. in the Martinez supervisorial chambers.

The supervisors will review a proposed ordinance requiring the fencing of all residential properties near the Contra Costa Canal.

**THE BOARD OF** Supervisors set the hearing Tuesday after Deputy District Attorney John Clausen expressed doubt that the proposal by the Contra Costa County Water District would be acceptable to property owners.

The CCCWD suggested in a proposed ordinance that all residences within 1000 feet of the canal "be fenced in the interest of public safety."

Clausen pointed out that it was possible that individual lots would be fenced under the proposed law, if adopted, while huge areas of unsubdivided ranch land would remain unprotected.

**THE PROBLEM** of fencing the canal is not a new one. For years, groups have spurred efforts to have the entire length of the canal fenced and have placed safety devices along the canal for persons who fall in.

Many persons have drowned in the canal, in addition to an untold number of animals and livestock.

The canal is patrolled, at present, by special deputies of the CCCWD and the Department of the Interior.

**PORTIONS OF** the canal have been fenced by the CCCWD at road intersections and at bridges.

Utility pipelines have been barricaded in most areas to prevent crossing on foot.

## Deck the Halls with Debutantes

THE BRIGHTEST ORNAMENTS of the glittery season will be the dewy-eyed debutantes who curtsy at the "Winter Ball" next Friday night.

Reams have been writ about this first bevy of Buds to be presented to society on this side of the Bay. And in several articles anent their whirlwind weeks pre and post presentation, the term "hectic" has been applied. Perhaps for the mothers, yes! But at THAT AGE, not for the debutantes.

**Wearing stardust on their shoulders and stars in their eyes, the moon is theirs. Life may be busy, but it's heavenly exciting and the absolute Cloud 9 existence!**

THE SUCCESS of this first "coming out" party is inevitable. Everybody loves a Deb (remember Brenda Frazier of Our Time?) and we may as well admit it—they make Good Copy!

Local Buds will curtsy at the Claremont next Friday eve, where at 10:30 p.m. in the Garden Room, Ray Hackett's baton will give the ¾ waltz-time beat for the traditional First Dance which each deb, after introduction, will dance w/her proud pater until her escort of the evening cuts in.

ESCORT FOR Mary Dean, Orinda deb, will be a Lafayette lad, Ardern Batchelder, Jr. . . . Joanne Gompertz will be sharing her first dance /her medico papa and Stephen Chandler of Berkeley. Curtsying cotillion member Stephenie Jensen (she'll bow at Seattle's Christmas Ball, too!) will have Roger Karlsrud of WC as her beau at the Ball and her brother Mark Jensen, home from M.I.T. classes, will serve as swain to pretty Purcell Scheu of Lafayette.

**Virginia Webster, also of Lafayette, will whirl the waltz w/a Berkeley boy, Lawrence Bay and Carol Sawyer's escort is to be Raymond P. Tolles, II. Both are from Lafayette.**

## 'Tis the Season to be Jolly

WE STILL PREFER our tree GREEN and graced w/sentimental baubles, but we consider the 8th Annual Festival of Trees a Sparkling Spectacle. . . . A myriad of trees and unique ideas. Gilded ocean treasures trimmed a tree made by a Boy Scout Troop . . . Pink puffs of cotton hung from a white tree. . . Xmas seals fashioned into festive paper ornaments. . . . The ULTRA-sophistication of a black tree w/gold satin ribbons. . . . The utter simplicity of a piece of driftwood w/beige candle drippings and tiny red b'day candles staggered on the waxen wood slopes, THIS appealing creation by Roger Barber on the BEST!

**Claremont-comers. . . Marie Schilling in the Sat. PM crowd w/a troop of young ladies traipsing in from a hospital tour, SHE telling the funny story that ONE of the girls fainted dead away during the tour, but soon revived. . . to stash away a staggering lunch a few minutes later! Charlotte Chapple taking in the exhibit while her young men were attdg. the Children's Show. The Chapples, by the way, are at it, tool and nail, and their bldr. Bob Hanford has promised the roof on their extensive addition by January!**

JOVITA OSGOOD w/two young lasses admiring the Sugar 'n Spice Tree — spicy cloved apples and cinnamon sticks suspended w/pink gingham bows . . . Mark Winthers and a fellow gal going down the Christmas corridor. . . A "Sold to Mrs. Ernest Fernstein" sign on a weeping-willow table tree of silver, mauve and pink balls . . . Gloria Lord and her children in the lineup. Wonder WHO won the benefit trees — an enviable lot — one by I. Magnin loaded w/dolls in every imaginable dress — another festooned with fat and furry Steiff animals ALL in costume!

## Don We Now Our Gay Apparel

Tomorrow night, Craig and Houston (Kim) Kimbrough host their Bridge Crowd to Cards and Supper at their Robert Rd. res. For the Alan Gray's sumptuous party this Sunday, friends were invited via handsome engraved invitations and Stuart and Josephine Crawford were early plotting a New Year's party, a neighborhood Coop Affair.

The Inlnd Valley Assoc. will get better associated Dec. 21 at the Dale Sanford's Lavinia Ct. home and AAUW members and hubbies will hie to the Claremont for a no-host buffet on the 28th. Nan and Tom Elmore's friends are saving the 18th and just to change the subject, Margaret & Ed Hinde took their Two to see The Music Man last Sat.

LET'S TAKE A BREATHER . . . and drop into the Valley Art Center's House Tour last Tues. First stop at the junior Edward Pike's Happy Valley home, a lovely old residence decked out for "Christmas at Grandma's" in Gay 90's gaicty w/lots of traditional red and green. A Merry Oldsmobile of Yesteryear parked in the driveway. Here, Mary Ann Kahi greeting arrivals. Louise Clark w/Bobbie Morris, Jody Allen w/Barbara Snook, MANY turning up mid-afternoon from the Jr. League's luncheon in the Claremont's new **gracious old house like stepping into the past. A charming new Bath** Empire Room.

**Enchanted w/the Gingerbread Men and polished crabapple arrangements were Mickey Simpson and Ginny Hamlin. The grcious old house like stepping into the past. A charming new Bath House by the pool built to match the charm of the original homestead.**

THE BRILLIANCE of Orange in all its hues was the keynote of the Contemporary Christmas at the W. F. Funk home . . . Irene Wilkinson, busy as a beaver for weeks, largely responsible for the huge mobiles, the ornaments of orange and gold paper. Caroline Havre and Barbara Smith a duo here . . . Irene Malley, one of the hostesses, pulling out of the driveway w/a wave to Leaguers Janet Angell and Cynthia Stampley coming up the walk together. Cynthia's new hairdo, VERY Empress Eugenia!

Which reminds us—one young fashioned-minded missy informed a friend—"My mother has that new Umpire Look". . . . (Well, Empire, Ompeer, who WOULDN'T get confused!)

GRAB YOUR GLOVES and finish us the House Tour around the fragrant bowl of mulled cider at the J. R. Moore's handsome adobe hacienda, a Great House out of Early California days. Here, traditional decor prevailing, the richness of dellarobia wreaths and arrangements, family memorabilia on display. Ginnie Ponting and Dorothy Lord pausing to refresh.

## Help Given By Brownies

A busy Brownie troop these days is troop 60 of Burton School, which is putting into practice the Girl Scout code of "service to others" at Christmas.

For weeks these 4th grade girls have been planning projects to make the holidays happier for others.

Proceeds from the Girl Scout calendar sale were used to purchase a Thanksgiving dinner for a family. Together Brownies shopped in a supermarket for the entire turkey dinner.

Brownies also voted to save their entire personal allowances to dress dolls for other little girls' gifts, to be presented to Dolls, Inc., for distribution.

Thursday the girls will entertain their mothers at the home of their leader, Mrs. R. E. Stege, where they will prepare and serve refreshments, present a program, and give a gift to each mother.

Brownies of troop 60 are Donna Anderson, Leslie Barneson, Linda Bartlett, Dey Brown, Lynne Byrne, Kathy Dyer, Lori Hill, Carolyn Kennedy, Jan Mangini, Comfort Scott, Linda Shurtleff, Janet Silverman, Joanie Stege, Gayle Swift, and Winkie Wolfe.

## School Mothers Hold Yule Fete

The mothers of the Orinda Cooperative Nursery School met for their annual Christmas party yesterday. Hostess was Mrs. James Kilpatrick, who presided at the new Normandy-style home at 4141 Canyon Road.

The party featured a fashion show, with clothes displayed by Fiesta Fashions, Lafayette, modeled by mothers. Children's clothes were also shown. After the show, refreshments were served and Christmas carols sung.

Nursery school teachers gave each mother a report on the progress of her child.

Children will have a Christmas surprise with a visit from Santa Claus. Thursday he will visit 2½ to 4 year olds; next Friday, the four and five year olds.

Enrollment is open to nursery-age youngsters of all families living in Orinda and Lafayette. Registrations for this or future years may be made with Mrs. Roger Olson, CL 4-3026.

The Mmes. Richard Wagner and Stephen Shutt as assistant leaders for the troop of 12: Susan Boyd, Connie deLavega, Vandra Goranson, Joanne Lewis, Cathy Lasater, Susan LaPlant, Bonnie Kinser, Nancy Knollin, Barbara Nelson, Leslie Reid, Melanie Reitzel and Julia Wagner.

## Nine Miramonte Students Achieve Scholarship Finals

Orida's Miramonte High School has had nine students named as semifinalists in the 1958-59 National Merit Scholarship competition. They are Babette Ambler, Maxine Anderson, Hal Chase, Bill Cline, Jack Doty, Peter Lewis, Barbara Stern, Barbara Stross, and Mike Wilmar.

The local students are among 10,000 of the highest scorers on the nationwide test given in over 14,000 high schools. They outscored over 479,000 classmates and thus moved a step closer to an estimated $5,000,000 in Merit Scholarships.

The semifinalists now face another examination, the scholastic aptitude test of the college entrance examination board. This test will be given at the University of California tomorrow.

In the final phase of the competition high school grades, extracurricular activities, school citizenship and leadership will also be evaluated. About May 1, at least 735 youths will be named Merit Scholars of 1959.

All finalists, however, will receive certificates of merit attesting their ability; and all colleges and universities will be notified, thus enabling these students to be considered for other awards.

# Matadors Remain Unbeaten; Run Amok over Amador and Antioch

The Miramonte Matadors stayed in the undefeated column the past week when they won last Friday and again Tuesday.

Friday's game at Antioch was a rugged one that saw numerous fouls and one that went into overtime before it was decided.

**MIRAMONTE** trailed until the final seconds of the game when they knotted the count at 34 all.

The first quarter found Miramonte cold as they hit everything but the hoop and went behind 11-8.

The Mats did score 10 in the second quarter while Antioch had 9. It was Antioch 24-20 at the top of the third and then the Orinda team moved up to a 34-32 lead with two minutes to go on then with seconds to go Antioch's Tom Linehan hit on a close in shot to throw the game into overtime.

**MIRAMONTE'S** Bill Houston proved to be Miramonte's hero in the overtime play when he hit a field goal and free throw for the only points in overtime play.

Miramonte's top scorer was Bob Hudson with 13. Houston nailed 12 while John Coffey hit 8.

Ivan Kent topped Antioch's players with 11, while Lineham was not far behind with 10.

**HOUSTON,** in addition, to his scoring and overtime play was outstanding throughout the game with his all around performance that won him the Doten Prep Award of the week.

Doug Hudson hit for 17 points for the Matador Bees, but he didn't get enough help and Antioch snatched the win 44-35.

Tuesday afternoon, the Miramonte varsity rolled to an easy win over Amador High at Pleasanton as they took a 11-3 first quarter lead—stayed ahead 25-11 at the half and coasted in for the win 53-30.

**CENTER** John Coffey tanked 15 during limited service while Bob Hudson helped with his 10.

In the Bee game Amador picked up the chips and they stopped Miramonte 35-23. Forward Bill Caldwell topped Miramonte's point output with six.

# Waterfowl Are Abundant Now

Most waterfowl now in California are resting on refuges and other choice wintering areas of the great central valleys within range of a great many hunters, the Department of Fish and Game reported today.

Some two million ducks were tabulated in the Butte Sink and another 1.6 million on the Sacramento Refuge by the department and U.S. Fish and Wildlife Service personnel November 26.

Gray Lodge and Sutter each contain more than a half million ducks. Joice Island Refuge and Los Banos Waterfowl Management area each have slightly less than a half million.

Another 200,000 were counted at Merced, 139,000 at Mendota, 123,000 at Grizzly Island, 70,000 at Suisun Marsh and Bay, 19,000 at Colusa and 12,000 in the Grasslands.

Sacramento Refuge has the greatest population of geese, with 245,000 counted, followed by 174,000 at Colusa, 62,000 at Sutter, 61,000 at Gray Lodge, 44,000 in the Butte Sink, 17,000 at Grizzly Island, 12,000 each at Los Banos and Merced, and 9,000 in the Grasslands.

Some 185,000 ducks remains at Tulelake and another 429,000 at the Lower Klamath Refuge. Tulelake also has 65,000 geese and Lower Klamath has 71,000. Last month there were 5 million birds in these areas, but cold weather forced them into the central valleys.

While the bag of waterfowl on state-managed shooting areas dipped in the last two weeks, the total take at the halfway mark to California's 95-day season shows a shooting record equal to, or better than, last year's record harvest.

A total of 98,529 birls have been bagged to date on the 11 areas managed by the state. This is an average of 3.2 birds for the 30,784 hunters who have used the areas so far.

The season ends January 15.

A total of 55,479 hunters bagged 163,745 birds in the 1957-58 season on state areas for an average of 3.1 per hunter.

# Success Told In Bistro Owner's Tale

By THE DINER

One of the real success stories in the restaurant business started just a few years ago in Lafayette.

In December (Friday the 13th), 1947, Frank Garcia came to Lafayette with only a handful of recipes, many ideas, and a desire to introduce people to good Mexican food.

He had noticed the lack of this type of food in the area, the kind served in the Southwestern United States. Although he had never worked or been in the restaurant business before, his dream was to open a Mexican Restaurant, El CHARRO MEXICAN FOOD.

**AFTER CAREFULLY** searching for a location, he decided that Lafayette was the ideal place for his restaurant. He saw in Lafayette a tremendous growth potential and decided that this was the kind of community with which he would like to grow.

He chose a small corner of a real estate building (then The Lafayette Log Cabin) for his dining room.

Eleven years ago, this month, he served his first Mexican dinner from a few second-hand pots and pans on a two-burner stove. His first customers soon realized that they had discovered something new and exciting.

**WORD GOT** around, and soon he had to buy a few more plates, and hire a waitress."

Since that "Grand Opening" he has expanded to meet his customers. First to another room, then the entire building, and three years ago he bought the property and completely remodeled El Charro.

Frank's theory is simple. "Everyone is entitled to expect the same quality food each time they come." And he has proven his theory in practice.

**THROUGHOUT ALL** the years of expansion and technical improvements, he has kept the quality of the food the same. This doesn't mean that he is adverse to change. On the contrary he has made many trips through Mexico and Southwestern United States searching for new ideas and recipes. He has found many wonderful ideas, but has failed to find a better tasting dish than the one he serves.

The general public's opinion about EL CHARRO is very well worded in Gourmet's Guide to Good Eating:

"Best Mexican food in the Bay Area. Not pretentious, very good service."

Also recommended by Duncan Hines, and Tour, the recommendations go a long way in describing EL CHARRO.

"We'll take care of our present business." Frank says, "and the future will take care of itself."

**AND A NEW RAGE** has hit the area! When you and the little lady have finished dinner, theres only one thing left to do—drop in at the Brittany Inn in Walnut Creek for a Capuchino or a Cafe Expresso.

There's just no describing these after-dinner drinks. They're as warm as an Irishman's heart, and they really hit the spot later in the evening.

And if you want to be a little more conventional, there's Irish Coffee available, too, as only Bob Pastorino can make it.

**BELIEVE ME,** it's worth it just to drop in and see the machine that turns out the Capuchino and Cafe Expresso—Bob says he got his engineering degree at night school!

And talking about new things, Larry Blake's Gaslight House has been the scene of many bridge luncheons of late.

**MONDAY, A GROUP** of ladies celebrated the 10th anniversary of their bridge club at the Gaslight with french pancakes and refreshments.

Present were Mesdames Lee H. Lorenzen, W. G. Blackwell, J. A. Rutherford, John Schock, William Flood, William B. Roberts, Joseph Cuendet, and Robert R. Pinger.

Fast becoming one of the favorite spots in Orinda is the Polka Dot Restaurant in the Orinda Village area. There'll be some surprises in store for the folks in the near future.

**WATCH THE DINER** next week for the popping of the good news from Alex Morris at the Polka Dot.

By the by, if you have an item for the Diner be sure and call The Sun.

## Acalanes Wrestlers Toss All Opponents So Far!

The Acalanes wrestlers are off to a flying start, winning five varsity meets in a row and copping three novice championships besides a host of ribbons for third and fourth places.

The Don varsity mat men toppled Pleasant Hill in their opener, 26-21, then dropped Tennyson High of Hayward 36-8. December 4 they threw the Pittsburg Pirates, 30-18.

Pitt took but four wins, copping the 103, 120, 154 and 191 pound matches, while the Dons won the other seven weight divisions, climaxed when Acalanes heavyweight Denny Toll pinned Tom Hill in the final.

**THE DON VARSITY** returned to the home matches December 5 to outwrestle Pacifica High, 30-17.

The Dons won the individual matches, 8-4. Two Acalanes wins were by falls, Rick Butler defeating Al Cruze at 112 and Carl Dreyer tossing Bill Ansley in the 127-pound division.

Tuesday the Dons wrapped up a 40-8 win over Las Lomas. The Knights were in their first match and experience showed as the Dons won all matches but two. Both Knight wins came in the top weights when Jim Rolie threw Leland Britos in the 191-pound division and Tom Leonard decisioned Bruce Britos in the heavyweight go.

The Dons entered 22 men in the novice meet held at Concord Saturday and came away with three individual championships, plus 14 ribbons for third and fourth places.

**DAN BELVEAL** won the 103-pound crown, Bob Peterson curved the 165-pound title, and Bruce Britos came away with laurels in the 191-pound division.

This afternoon the Dons host Las Lomas in a return match at Acalanes, with the 103-pounders opening at 3:15 p.m.

Next week the Dons meet San Ramon at Acalanes Tuesday, Diablo Wednesday, and Clayton Valley Friday. All matches are slated to start at 3:15 p.m.

## Hayward Hotshots Sink Piedmont

Hayward came to Piedmont High Tuesday afternoon and went home with a varsity hoop win while dropping a Bee decision.

Hayward had little trouble in the varsity tilt as they took a 22-17 half-time lead and then poured on the coal to win going away 52-36.

Piedmont did get consolation from the fact that center Pete Rowe headed the scoring as he netted 6 field goals and 2 free throws for 14 points.

Sophomore forward Bill Hass hit for 13 (6 field goals, 1 free throw), for the winner.

Piedmont forward Buzz Redford put his 6'3" frame to advantage as he did good work on the boards on rebounds.

## Gauchos Defeated By Dons in Rough Hoop Go Friday

The Acalanes Dons copped a pair of wins—their first of the new season — last Friday afternoon when the varsity clobbered the El Cerrito Gauchos 51-37 in a rough and ready go while the Don Babes surprised with a 28-19 win.

The games, played at El Cerrito, found the Acalanes varsity commanding both backboards and combining a sturdy offense with a tight and at times rough defense to notch the win.

The Dons were paced by forward Bill Yonge, whose 16 points on 7 field goals and a pair of free throws was tops.

**THE DONS** took a 16-12 first-quarter lead and while the home club pulled up to within 1 point of Acalanes at the half when it was 22-21. The Dons put on the pressure in the third and fourth quarters as they registered 11 and 18 points while holding the El Cerrito quintet to 8 points in each canto.

Guard Mike Kritscher kept the Dons out in front in the final period when he collected his game total of 9 points on 4 field goals and a lone free throw.

The other top scorers were forward Paul Golin with 11 (5 field goals, 1 free throw) and forward Neil Simpson with 9 (5 field goals, 1 free throw).

El Cerrito's John Flevin with 10 (3 field goals, 4 free throws), topped the losers in the scoring column.

**IN THE BEE game** Acalanes trailed 13-11 at the half but came on to win in the second half as they outscored the home club 17-6 to take a 28-19 win. Guard Dave Stegman led the scoring as he had 6 points on three free shots from the floor.

The double win story was reversed Tuesday when the Don varsity lost to Pittsburg High 48-39 and the Bee men went down in no uncertain fashion as they were larruped 55-21.

The games, played at the steel city, found the varsity playing well enough in the early stages as they led the first quarter, 14-6, and 24-19 at the half, only to hit the downgrade on the home stretch, thanks in part to the loss of guard Don Nelson and forward Mel Simpson who were sidelined on five personal fouls.

**IN FACT**, the Pirates won the game at the foul line, getting 18 points there to mere 3 by Acalanes.

Pitt outscored Acalanes 10 to 5 in the third frame and 19-10 in the final 8 minutes of play.

Forward Bill Yonge once again topped the Don scorers with 11 points (5 field goals, 1 free throw), while Pitt's Nat Johns took game honors with 12 (3 field goals, 6 free throws).

In the Bee game the Pirates had things pretty much their own way as they took a 26-9 first half lead and were never in trouble the rest of the way.

Walt Mickey topped the Pitt scoring column with 12 (6 field goals), while Bill Albert with 7 (2 field goals, 3 free throws) was top man for the Dons.

# BIG HOOP JAMBOREE STARTS TONIGHT

## Five Foothill Basketball Quints to Vie for Crown

By ERWIN MATTSON

The Second Annual Miramonte Basketball Jamboree gets under way tonight starting at 7 p.m. and will continue tomorrow night.

The Jamboree finds Acalanes, Piedmont, Las Lomas, San Ramon and Miramonte all taking part.

The meet is the type in which each club plays every other one in a game in which quarters are cut to 5 minutes.

**EACH TEAM** plays twice each night and the final score is based on total points scored minus those tallied against a team. The quintet with the highest plus count wins.

The big change from the regular rules other than the quarter time is that one-foul shots in the first and third quarters automatically give 1 point for the team fouled.

Two-shot infractions will result in 1 point awarded and in addition possession of the ball at mid-court.

The teams involved are all members of the Foothill Division of the Diablo Valley Athletic League, and being as league play gets under way in January, the tournament should give a good pre-league play preview as well as some keen competitive action.

**THE INCENTIVE** is not only pride in winning, but trophies will be awarded for first and second places as well as individual awards for the five outstanding players.

The Orinda Rotary Club will present the championship trophy; Orinda Lions will award the runnerup trophy, while Miramonte Boosters will provide the five individual awards.

A Sports Institute will also present an award to an individual chosen "Prep of the Week" for being top player of the tourney.

Rooting should be doubly spirited as the team judged best will also take home an award.

The first tournament of this kind was held last year, with Las Lomas winning, Acalanes in second place.

**ON THE BASIS** of records to date, Las Lomas favors to repeat, while Acalanes and Miramonte are given the best chances of kicking over the dope bucket.

San Ramon is picked next in line, with Piedmont at the bottom of the ladder.

The tournament schedule, as arranged by draw, follows:

TODAY

Las Lomas vs. Piedmont—7 p.m.
San Ramon vs. Miramonte—7:40 p.m.
Acalanes vs. Las Lomas—8:20 p.m.
Piedmont vs. San Ramon—9 p.m.
Miramonte vs. Acalanes—9:40 p.m.

TOMORROW

Piedmont vs. Acalanes—7 p.m.
Miramonte vs. Las Lomas—7:40 p.m.
San Ramon vs. Acalanes—8:20 p.m.
Miramonte vs. Piedmont—9 p.m.
San Ramon vs. Las Lomas—9:40 p.m.

## Basketball Action Heavy This Week Across County

It's Jamboree Week so far as the Foothill Division is concerned. All teams will take part in the two nights of play beginning today at Miramonte High.

Play tonight and tomorrow night will find the five Foothill clubs of the newly-formed circuit in action.

In addition to Jamboree hooperrating, Pleasant Hill plays at Amador at 7:30 p.m. today; Tuesday hosts Alhambra of Martinez at 3:30 p.m., and Thursday entertains Bishop O'Dowd, with the Bees starting at 3:30 p.m.

Las Lomas winds up the pre-Christmas vacation play by hosting Vallejo Tuesday and Lincoln of San Francisco Thursday. Both games are scheduled with a Bee game opening time of 3:30 p.m.

Acalanes travels to Albany Tuesday for a 3:15 p.m. encounter and winds up with Clayton Valley at Acalanes in a 7 p.m. game—the first home tilt of the season.

Piedmont's only game next week finds it traveling to Clayton Valley High Tuesday for a 3:30 p.m. game.

## Jolly Knights Wreathed In Smiles by Hoop Wins

The Las Lomas hoopsters continue to roll up victories to keep Coach Merrill Callow wreathed in smiles.

The victims the past week were Oakland High and Clayton Valley.

Last Friday the Knights measured Oakland High with a comfortable 47-37 triumph. Big Dave Weil and not-so-small Clark Ransome controlled both boards to aid the Knight cause no end.

Forward Ransome proved to be the heavy gun in the shooting, getting 14 points, while teammates Tom Nichols was not far behind with an even 10.

**WEIL NETTED** 9 points with Bob Gomez and Jim Sistler posting 6 each. Bob Nye rounded out the scoring with 2

Oakland's best were Ken Reid with 12 and Steve Sorenson, 10.

In the Bee game the Las Lomas club was handicapped as it had to play the City Junior Varsity, and height and weight proved to be too much, and they went down, 37-30. The Knights' Bob Morris was the ace scorer with a big 16.

Tuesday the Knight varsity chalked up another win as it easily outscored visiting Clayton Valley, 44-26.

The game found the Knight regulars forging to a 20-13 halftime lead and then going away even after reserves took over.

**RANSOME WAS** busy as an octopus on the boards as he garnered 13 rebounds.

The game on the whole found neither club hitting too well from the floor as Las Lomas netted but 12 field goals while Clayton Valley accounted for but 77.

Numerous fouls and infractions found the clubs going to the foul line often. Knight forward Nichols took scoring honors with 14 (4 field goals, 6 free throws), while center Weil had 11 (3 field goals, 5 free throws).

**IN THE BEE** game Clayton Valley pulled out the stops to upset the Knight "Littlemen" 42-38, despite the fact that forward Phil Marsh had 11 (4 field goals, 3 free throws), and forward Mike Breuleux 10 (4 field goals, 2 free throws).

Center Sam Little paced the winners with a grand total of 17 (6 field goals, 5 free throws).

## Clayton Valley Explodes to Post Win Over Danville

Clayton Valley proved to be a surprise package in a game played at Danville last Friday afternoon when they exploded in the second half to notch a nifty 49-35 victory.

Danville was out in front by a squeaky 20-19 score at the half and it proved to be far from enough as the visiting Eagles, with Dave Dougan doing most of the work on rebounds, controlled the boards and with control went the game.

Dougan also tallied 10 points in the second half to add to Danville's woes.

**CLAYTON VALLEY** had three scorers in double digits as Dougan had 15 while Bob Ewing and Gary Loveridge had 14 apiece. Mike Oaks with 10 was high for San Ramon.

In the Bee game San Ramon won 32-29 with Casey Evans and Phil Fay getting 8 points apiece.

Lehmer had 9 for Clayton Valley while Tom Little had 8.

Tuesday San Ramon hosted Liberty of Brentwood and when the final returns were in the Wolves had posted a 56-55 win.

**SAN RAMON** took what appeared to be a substantial 17-7 first quarter lead only to have the visitors check out with a 22 second quarter outburst. San Ramon got 14 and clung to a 31-29 halftime edge.

It was San Ramon 45-40 at the end of the third quarter, and the 5-point margin was just enough when Liberty outscored the Wolves 15-11 in the final quarter of play.

**LIBERTY** forward Fred Katkoka was high scorer with 21 (7 field goals, 7 free throws), while San Ramon forward Erik Kellner with 19 (7 field goals, 5 free throws).

## Rams Catch Fire to Eke Out Victory

The Rams did it the hard way last Friday night when they pulled an uphill battle from the middle of the third quarter to squeeze out a 44-42 win over the Livermore Cowboys.

The game, played at Pleasant Hill gym, found Livermore taking a 14-8 first quarter lead, and maintaining the edge by a 22-12 halftime count.

**THINGS LOOKED** even darker for the home fans when they fell behind 25-12 early in the third quarter—and then caught fire! They pulled up and for the first time in the game took the lead in the fourth period with a 37-35 edge.

The next few minutes saw the score change five times and with 36 seconds on the clock it was a narrow squeak—the Rams ahead 41-40.

Glen O'Dell eased things when he scored for the Rams only to have it, tighten and the fans go hoarse when Hal Sinclair hit for Livermore.

**WITH 7 SECONDS** to go O'Dell hit for a free throw to end it 42-40.

Forward Bill Locatelli hit 13 points for the Rams and Bob Carey had 12.

Frank Pierson had 15 for the visitors to cop game scoring honors.

In the Bee game the Rams stayed undefeated and made it three in a row with a one-sided 35-13 win. Sonny Kaye led with 9 points for the winners.

# An Unpleasant Subject, and A Step in the Right Direction

Child molestation is an unpleasant subject.

The very thought of it makes one just a bit sick to his stomach, and it is a subject that "just isn't talked about."

In a way, this is understandable—none of us like to discuss unpleasant things, and besides, nothing like this "can ever happen to my family."

This is one of the reasons that it is so difficult to deal with this problem—a natural reticence to discuss an unpleasant subject.

**THE PROBLEM** is further complicated by the fact that parents are naturally unwilling to face publicity if their family is involved in such an incident. Further, there is the problem of the child—the traumatizing effect of the experience and the difficulty of "getting the straight story" from a youngster.

There is one group, however, which has not taken the "hide your head in the sand" attitude of the ostrich. That is the Mt. Diablo Council PTA Juvenile Protection Committee, which has been making a detailed study of the problem of child molesters during the past year.

The committee has had a tough row to hoe. But it has done a workmanlike job, and come up with recommendations, which, although they will not wipe out the crime, will certainly go a long way toward curbing it if they are followed.

Indicative of the work that went into the study are the people interviewed by the committee. These included a clinical psychiatrist, both local law enforcement officials and a police official having no local jurisdiction, juvenile and probation officers and a Superior Court judge.

**THE COMMITTEE** also waded through a mass of printed material and viewed films on the subject.

What does the committee recommend?

For one thing, that parents should always make a report to authorities of any known child molestation case, since "molesting does not necessarily involve court appearance . . ."

And another quote from the report: ". . . failure to report (the incident) is the best way to assure that there will be still another child victim of the same molestor . . ."

Regarding positive action, the group recommended that a PTA training fund be established to aid financing the training of juvenile officers and that the film "Dangerous Stranger" be shown to the chosen grades in elementary schools in the area.

The group is to be congratulated for tackling a difficult problem, and for coming up with some answers. Something is being done—really for the first time in our area.

But this is not the kind of job that can be done single handed. All the committee work in the world, no matter how thorough, cannot be effective without the complete cooperation of the authorities.

**THIS MEANS THE** cooperation of the district attorney's office, which appeared to be lacking in several instances during the past year, and the cooperation of juvenile and police authorities.

Certainly we don't want to go through any more of the farces that we have seen in the past when it comes to dealing with child molestors.

This is a start in the right direction. With continued work by this active committee, and with the cooperation of parents and authorities, the problem can be contained, if not solved.

So, thanks to the PTA committee, we have made a start. Let's keep up the good work!

# And Don't Use Candles . . .

Last year's Christmas death toll was one of the highest on record. In one day—and it was a mid-week day, not a weekend, fire took 26 lives.

Now, there are lots of risks to living in this day and age, so there would appear to be little sense in adding needless hazards.

This doesn't sound like a cheerful Christmas message, but maybe, if we all take it to heart, it WILL be a cheerful Christmas.

**CHRISTMAS TREES,** beautiful as they are, can be a tremendous fire hazard. And for the sake of a few precautions not taken, it would be a shame to have the family standing outside looking at the charred remains of a living room, instead of relaxing inside around the fire and the presents.

So why not think twice before you put up your festive tree this year. Here are some suggestions for a safer yule tree, as outlined by the National Board of Fire Underwriters:

Set up your tree in a cool part of the room, standing it in a pail of moist earth or water, away from doors or exits.

Check electric light wiring and discard sets with worn or frayed cords and loose sockets. When buying a new set, get one bearing the UL label of safety against fire and shock.

**ORNAMENTS SHOULD** be of fireproof materials, never cotton or paper, unless fire-proof.

Don't set up electric trains under tree, and be sure switch for tree lights is at a safe distance.

Don't leave the Christmas tree lights burning when you are away from home.

From time to time inspect the tree to see whether any of the needles near the lights have started to turn brown. If so, change the position of the lights.

And of course, don't use candles!

And here's hoping your Christmas is both beautiful and safe.

# An Inter-office Memo . . .

By BILL HINES

We don't know how your office or business works, but we're willing to bet that most firms are pretty much alike.

The following "interoffice memo" was circulated among editorial members of the staff this past week, and we'll bet that you get a kick out of it too.

The name of the perpetrator of this bit shall forever remain a secret—needless to say, the signature at the end was spurious. So we'll just leave it as is and present it for your enjoyment.

To: All Employees:

It has been brought to our attention that our paper clip bill has risen 7.8 per cent over last year. Increased business may account for some of this, and of course we must take into account stocks on hand.

However, even after these adjustments have been made, it is very hard for us to understand what happens to all the paper clips. Actually, it should be possible to use them over and over.

**IN FACT,** the Oakville Company Division of Scovill Mfg. Co., Waterbury, Conn., manufacturers of the "Gem" brand clip we use, assure us that their laboratory tests indicate that each clip can be used well over 1500 times without losing its "umph," and that unless a paper clip is mistreated, it should be good for a life of approximately 13 years.

In consideration of these facts, along with a study of paper clip usage among our employes, made by an independent expert, we are afraid that in addition to being used for their primary purpose, i.e., clipping pieces of paper together, clips are being used for the following and other non-productive purposes:

A. Opening the little sealed-over holes in cans of evaporated milk.

B. Cleaning fingernails (very inefficiently).

C. Cleaning out ears (very dangerous to health).

D. Poking out broken-off pencil leads from sharpeners. (A hatpin, obtainable at any millinery store, works much better).

E. Making charm bracelets.

F. Twisting into pretzels (This is a neurotic trait. If you MUST twist something, we suggest you bring own sections of coat hangers, and then twist only during lunch hours).

G. Poking holes in things.

H. Using in lieu missing buttons.

I. Typewriter cleaning and repair.

J. Keeping pierced ears open, and using hangers for bits of bric-a-brac as earrings.

We are sure you want to cooperate in every way in reducing our paper clip expense to at least its 1957 level. Therefore we plan no punitive action, but simply ask each and every one of you to THINK before you start twiddling that next paper clip.

# La Giaconda's Smile? A Complex or Pregnancy?

By JOYCE BARNUN

Have you been to your dentist lately?

And does the sound of his drill call to long conditioned involuntary reflexes to awaken memories of old pain sensations despite novocaine induced numbness?

**THIS WEEK MEMBERS** of London's Royal Society of Medicine have given me a shot of knowledge, which benumbs my senses as surely as novocaine. Suddenly and sharply I am as aware of my ignorant bliss as was Eve after she bit into the apple.

**The learned gentlemen of the Royal Society have snatched the enigma from the Mona Lisa smile. Combining fragments of information, the gentlemen have diagnosed La Giaconda's smile as an expression of the "placid satisfaction of pregnancy."**

Her posture, her attire, her hands all contribute to the conclusion reached by the doctors.

**THE CLINCHER,** cited by the diagnosticanis, is that Da Vinci was "the victim of a lifelong mother fixation." This fact, plus Leonardo's interest in anatomy, leaves no doubt in the minds of the diagnostic detectives.

**I can't help but wish that these gentlemen had applied their talents to some other line of endeavor. I was far happier when I could contemplate reproductions of the timeless masterpiece with wonder. My imagination has spplied endless, varied and delightful reasons for La Giaconda's smile.**

Little have I cared that the 24 year old Florentine model was the third wife of Francesco Del Giaconda and that she smiled her Mona Lisa smile because she felt placid. I have cared a great deal for the painting and to marvel at Da Vinci's genius in capturing and preserving the famed smile for posterity.

**HENCEFORTH WILL I** view the painting only to hear but a faint echo of inspiration and awe over and above the message "placid satisfaction?" Will wondering whether Da Vinci painted so beautifully because of or despite a mother complex dull my sense of appreciation for his work?

**Now that I've bitten into the apple with my newly filled teeth, will the shadows of London's diagnostic royalists cast themselves between the canvas and me?**

Onward and upward with medical diagnoses, but may they leave Da Vinci and his complex — La Giaconda and her smile to rest in peace!

# Smikahl Appointed Cancer Service Committee Chief

William E. Smikahl, 31 Kathryn Drive in Pleasant Hill, has accepted the county-wide position as service committee chairman for the Contra Costa Branch of the American Cancer Society, Dr. Frederick A. Pellegrin, county president announced today.

Smikahl will institute methods of increasing the cancer society's day-to-day service where needed to cancer patients within the county. Among the services provided are referral to physicians, transportation to medical centers for treatment, surgical dressings and loan of special equipment.

**THE NEW SERVICE** committee chairman was introduced by Dr. Pellegrin to Guy Spencer, county cancer crusade chairman, and other area leaders from throughout the county meeting this week at Walnut Creek headquarters of the society to hear Allen E. Kolb, executive vice president of the California state division of the society.

In accepting his appointment, Smikahl urged that in any part of the county any cancer patient needing help, telephone the Contra Costa Branch of the cancer society at YE 4-7640 immediately.

Smikahl, who is administrator of the Kaiser Foundation Hospital at Walnut Creek, is well known in the area for his participation in community service.

He served as co-chairman for the United Crusade in Walnut Creek this year and was co-chairman of the 1958 Walnut Creek Festival. He is a member of the Walnut Creek Chamber of Commerce. At home in Pleasant Hill are his wife June and a son John, aged eight months.

**AS A SPECIAL** holiday feature, the cancer society offices at 2030 N. Main Street in Walnut Creek this month are displaying the colorful oils and drawings of Blanch Brody, Orinda artist.

The public is invited to inspect the exhibit of prize-winning paintings during the society's office hours of 9 a.m. until 5 p.m. daily, Monday through Friday, all during December.

Mrs. Brody is a member of the San Francisco Women Artists association, and has paintings currently in the San Francisco Museum of Art and in the Oakland Municipal rental gallery. The show sponsored by the cancer society is the most representative of her work yet assembled, however, according to Mrs. Helen Macfarlane, executive director.

**ALL AMERICAN**

DEAR EDITOR:

At this time of year when selections of outstanding athletes across the country are being made to fill All-American football teams, it was good to read of an even more important first place All-American award made to The Sun for its outstanding contribution in "Community Relations and Promotion."

In addition to this national award, it is comforting to our community pride to know that in our midst you and The Sun staff placed first at the state level in "Outstanding Community Service" and second in "General Excellence" for your fine weekly newspaper.

Congratulations to you and your staff for these impressive national and state honors.

**AIR POLUTION**

DEAR EDITOR:

In the pursuit of happiness man needs indispensable essentials, such as fresh, clean air, pure water, wholesome food and a friendly environment (gardens, parks, woods, unspoiled nature).

A well organized society should keep these assets as unspoiled and unadulterated as possible. What have we done with our air, for example?

**THE AIR** in which most of us have to live, is laden with noxious pollutants from industry, automobiles, airplanes and trash fires. Everybody today is guilty of air pollution, and a reversal in these goings-on does not seem to be in sight. There is no doubt that something has gone wrong with our social conscience.

If everybody would live in accordance with the Golden Rule, all would be well. But a lot of simply don't care what happens to our fellow men.

**SINCE THE** individual is not capable of good social conduct, our society must introduce and enforce laws for the protection of this most important common asset: Fresh, clean air. If it does not do that soon, air will become the greatest single health hazard in our time.

**LONG, LONG** ago, the automotive industry should have started research on exhaust control. What our cars need (and airplanes too) is an effective exhaust filter. Industry, in a common effort, could help clean our common breathing medium without undue sacrifice.

As to trash burning, it is high time that such unsanitary practices are prohibited by law. There are better ways to dispose of trash than by setting it afire.

At first it seems that air polution problems are merely engineering problems, but that is not so. Deep down we find two great stumbling blocks: An embryonic social conscience and the paralyzing absence of the customary quick profit.

If our society does not put the profit motive behind all other considerations pretty soon, a lot of us will never know what good, buoyant health really means.

FRANK D. STEINER.

**CHURCH NEWS**

Dear Editor:

May I express my sincere thanks for your religious news—especially the coverage of church activities.

I eagerly read the news of the church I attend—the Suburban Bible Church, and I thank you for keeping the public informed of our meetings.

ASTRID W. FLAGG

**TRANSIT**

DEAR EDITOR:

Thank you for your gracious support of my candidacy for director of the Alameda-Contra Costa Transit District.

Although I was not successful in obtaining a majority vote in the Ward, I was able to carry Contra Costa County. There is hope, also, that the bond election results will pave the way for withdrawal of central Contra Costa County from the district.

I appeared before the Transit District board on November 18 to make a strong plea for the withdrawal of our area from the district.

Although I believe a majority of the board realize the hazards of proposing another bond issue in view of the strong opposition from Contra Costa County, Messrs. Arnold and Copeland still appear to have a "never say die" attitude.

I believe it will take strong pressure from throughout Contra Costa on our State legislators to get us out.

RICHARD J. MITCHELL

**NARCOTICS**

DEAR EDITOR:

(This is a letter addressed to State Senator George Miller, Jr., with a copy sent to The Sun. It was written as a result of a suggestion which appeared in The Sun suggesting that letters to our state legislators would help accomplish the purpose discussed)

Dear Senator Miller:

In my opinion there is a need for legislation to make mandatory a minimum thirty-year prison sentence without parole for any person convicted of selling heroin or addictive drugs in a manner not permitted by law.

I understand that such a law was passed in Ohio in 1955 and the peddling of narcotics has been reduced substantially subsequently.

I understand, further, that the Elks Fraternal organization is circulating petitions in support of this needed legislation.

Your attention to this extremely important matter would be appreciated.

JAMES R. MOORE

(Note: the above letter was also sent to Assemblyman Elect Jerome Waldie.)

# Let's Discuss Some Mutual Newspaper Problems!

By HERMAN SILVERMAN

Today let's talk about some mutual problems—yours as a newspaper reader; mine as an editor.

On several occasions recently The Sun has been criticized for printing a certain kind of news. I won't relate these specific stories but will note that criticism is aimed at us for printing "unhappy news"—divorces, drunk driving or other arrests and convictions, juvenile problems (without the names), suicides, etc. Let's review this problem for a minute.

**First, The Sun does not feature or up-play such news. Usually, you will find only 2 or 3 paragraphs devoted to such stories—on inside pages. If, however, it is of wider significance, it will be given stronger treatment.**

## Our policy re-stated

Second, The Sun's policy is—and will continue to be—to print all news of the community. We are not going to set ourselves up as censors to decide what you shall or shall not read. When newspapers start doing this, you had better start worrying.

**Third, please don't blame your newspaper if your nice neighbor gets caught for drunken driving and is convicted.**

**It's ironic! People don't blame the guy at fault; they don't blame the policeman for arresting him; they don't blame the judge or jury who convicted him. They blame the newspaper for printing the story.**

Certainly there are times when this newspaper might mis-handle such a story. But, remember, newspapers don't make the news; they merely report it.

## Our columns are open

Recently Monday I had a lengthy discussion with an executive of a major oil company. Remember—The Sun criticized the big oil companies for building too many stations too close together in a given area. Neither one of us convinced the other. There are good arguments on both sides.

**I did, however, make the point very clear to him and would like to repeat it: the columns of The Sun are open to him and to you. Write us a letter and state your position. Keep it brief and to the point, please.**

Several **UNSIGNED** letters have been received the past weeks. Please sign your letters, along with your address. We prefer not to "withhold name," but will do so if you insist.

## What about Sheriff Brown?

Well, what do I now think of our good sheriff Harry Brown?

Certainly the Anderson murder case places Brown in a very peculiar light—to phrase it mildly. Or let's be blunt—Brown is acting like a big dope, without a brain in his head. How can anyone be so stupid?

**As you know, this is mighty hard for me to say. The Sun supported Harry Brown four years ago. And we'd do it again to defeat the gang trying to control that office. This year we carefully studied the situation for months before the November election and finally recommended Brown. And a large majority of people in Central Contra Costa County voted for Brown.**

Personally, I wish we would not have to endorse candidates. It is a terribly difficult task. The Sun, however, makes no apologies for recommending Brown. We clearly stated his faults, as well as his virtues. Only now is it apparent that Harry should not be sheriff.

Sometimes we will be wrong. We hope we are right most of the time. We will call the shots as we see them and then you readers will decide for yourselves.

Whether it is a candidate or an issue, we do not expect you to agree with us at all times. And certainly you cannot expect us to express only your views. We will try to be honest, fair and forthright and to give you the best newspaper possible.

## Send in your recommendation

The Sun is again proud to sponsor the Man of the Year Award. This has grown through the years into a major event. I think it is important that hard-working men and women of the community are given a little recognition for their efforts. So, send in your suggestion and they will be forwarded to the committee.

**A final word: please let us know what we can do to improve The Sun. This can be negative or constructive criticism. If there's something you don't like, let us know. We sincerely welcome your comments and suggestions.**

You may be interested to know that in the past eight weeks over 1000 families have subscribed to The Sun.

To our old and new subscribers, we say, "Thank you."

# That Old Black Magic--- And Blacker Marshmallows

By MARIE MONAHAN

THESE ARE FINE nights for reading in front of the fire. Toasting the old toes & tanning the marshmallows!

Dinner is no sooner out of the way, the children barrage us with their latest library books. They've already read them but knowing we're such an Awful Ham, they want us to read aloud. They like the inflection in our voice. A squeaky high one for the heroine. A gruffish growl for the Villain. A nice soft one for the hero. And oh, can we make like a Dinosaur!

**IT HELPS IF the books have short chapters. The sooner to get back to your paper & coffee. Or your after-dinner Siesta!**

BUT WHEN the book is thick & the chapters long, something happens between that first page & the last. We start off reading with Great Gusto! Very Dramatic. A potential character actress, methinks!

**BY THE TIME we've gone four pages, the dinner is taking hold. The second cup of coffee is settling our nerves and our head is nodding, bobbing, chinning itself on the chest. The lines read so spiritedly at the start die down to a monotonous drone.**

"MOMMY, WAKE UP!" We beg for a breather between the action and reach for the good old Campfires. The children are plied with marshmallows which they char black on the outside. A mess of sticky white goo glues itself to the rug & a crisp black crust gets pasted on the firescreen.

**WE COULDN'T care less. As long as we can have our catnap. Play Possum till they plop a plump oozing—ouch!—hot marshmallow in our half-open mouth and then bounce back begging for more story. Which we resume reading with a burned tongue.**

Out of our reverie we are suddenly grappling with rocket ships & space men. It is enough to cause anyone indigestion. (Not to mention the idea of half a box of Campfires kicking around in one child's full tummy.)

**SO WE READ the lines. and that old Black Magic slips in. Is it the winter season or the weather or that big dinner? Couldn't be we're getting old!!!!**

THE EYELIDS grow heavy & we struggle to keep awake. The last page is just around the bend, like a mirage in the middle of the desert. We finally make it, groping through the last paragraph . . . The end of the chapter. And the Hammer of Sweet Exhaustion hits us hard on the head!

**Yes, these ARE the nights for fireside reading. Just be sure the chapters are short. And keep the marshmallows handy!**

PLANS TO HELP less fortunate youngsters are being discussed by members of Diana Guild, junior branch of the Children's Foster Care Service. They are, from left, the Misses Karen Klopfer, Judy Ageno, Louise Cianciarulo, and Linda Houghton. Judy and Louise were among new members honored Sunday along with mothers at tea in B. B. ## Local Debutantes to Bow At East Bay Winter Ball

By MARIE MONAHAN

The "Winter Ball", first affair of its kind on this side of the Bay, promises to be the brightest social star on the brilliantly studded holiday calendar.

It is at this formal affair, to be held at the Claremont Hotel next Friday, that the first contingent of local debutantes will bow to Bay Area society.

**SPONSORED BY** the Hill Branch of Children's Hospital of the East Bay, the tulle-and-jewel presentation of the local jeune filles will mark the inauguration of the deb ball here and of the bevy of parties, fore and aft, which will become traditional.

For the success of such haute monde goings-on is already inevitable, was a long time waiting for, and now the Bay Region joins other metropolitan areas in making a big social splash!

**IT'S A HECTIC** as well as happy time for the young debs and their mothers. Consider, for one, Stephenie Jensen, daughter of Dr. and Mrs. Stephen Jensen of Orinda.

Scarcely home from her studies at Sarah Lawrence in time to curtsy at next Friday night's Winter Ball here, she will scurry up to Seattle to make her debut in the northern city at the Christmas Ball on Monday.

Stephenie is a member of Seattle's prominent Eddy clan. Her mother, the former Jasmine Eddy, was presented to Seattle society by her parents, Mr. and Mrs. John Eddy, before shuttling off to Shanghai to wed Stephen Jensen.

**IN SEPTEMBER**, Stephenie was honored at a formal dance given by her parents in their Charles Hill home and garden in Orinda. In addition to the two large scale presentation balls in which she will participate during the Christmas recess, she will also attend the numerous private parties being given for the deb set.

These will include a brunch Mrs. James Sharp, Jr., of Orinda will give January 4, at which Stephenie will share honors with Jody Gompertz, debutante daughter of Dr. and Mrs. John L. Gompertz of Orinda. All of the East Bay buds and their "blades"—or escorts—will be included at this affair.

**OTHER DEBUTANTES** from this side of the tunnel are Carol Sawyer, daughter of the E. P. (Ted) Sawyers of Lafayette, Purcell Scheu, debutante miss in the Arthur Scheu's Lafayette household, Virginia Webster, also of Lafayette, who is the daughter of Captain and Mrs. James Webster, and Mary Dean, curtsying cotillion daughter of the Beach Deans of Orinda.

The following have been announced by Mrs. Stuart Hawley, ball chairman, as the floor committee members for the gala party:

Messrs. Robert Greenwood, Allan Curtis, Charles Muller, Jordan Carlton, McKee Mhoon, Jr., John B. Knox, Jr., William Hartson, William W. Bliss, William Hutchinson, Jr., David Hall, Harry Stevenson, Jr., Llewellyn White, John Nichols, Carlton Bryan, Jr., Charles Eldridge Green, Timothy Layden, George Hall, R. Stanley Dollar, Jr., Edward Engs III, Peter Zischke, John Hansen, O. W. Meek, Keith Hilken, Zook Sutton, Zook Todd, Tom Witter, Harold Jewett, John Grubb, David Sherwin, and Crawford Reilly.

TASTY were the trayloads of good things offered at the Gamma Phi Beta alumni annual Christmas party, held last week at the Glenn Allen home in Walnut Creek. Left to right are Mesdames Ralston May, Allen, Donald Woodcock and Charles Hunt. Husbands and guests were honored guests.

# On The Lighter Side

by INA BLIESNER • YE 4-3818

It was a happy birthday for tyo young men—Randy, the son of Mr. and Mrs. George Burton, and Ted, son of Mr. and Mrs. Hal Maddock. Last Friday night the two celebrated their 11th birthday by "doing" San Francisco with their parents.

After a gala dinner at Veneto's they took a round trip cable car ride and then "shopped" Chinatown.

## A real Oriental-type fantasy . . .

While on the subject I must tell you about the really wonderful excursion that the girls of Scout Troop 280 took on a recent Saturday. Fairly early in the morning they, their leader Mrs. Roger Black and two mothers Mrs. R. H. Bailes and Mrs. Edna Geffel took off for the misty city.

They met, as arranged, a guide, Mr. Lee (who has played several major parts in movies as "Mr. Jim") who took them to spots which most of us have never had the opportunity of visiting. They learned about an old, old temple and about authentic Chinese groceries and medicines. They were allowed to view a priceless gem collection and had lunch in the oldest restaurant in Chinatown.

Following this exotic tour—the girls were allowed to shop—and if my daughter is any criterion—their Christmas planning is a thing of the past. If any of you leaders are interested—Mrs. Black has given Mr. Lee's telephone number to me and I would be happy to pass it on to you.

Getting together last weekend for a pre-holiday family reunion were members of the Donald Shultz family of Walnut Creek. Twenty-four in all travel from parts near and far for this yearly event.

Gloria Shultz, by the way, is one of the clever gals who entered a beautiful table setting at the Towhee Tea—in behalf of the Cardinal unit of the Therapy Center.

WHAT a tea that was! Colorful—as always, well-stocked with gay morsels—as always and staffed by those ever lovely-looking Towhees donned in their fluffy red and green tule cocktail aprons. The many women (most of them presidents of the other units) were presented with luscious red carnation corsages tied with glossy green satin bows.

Accolades to the Blakesleys, Robert Sawyer and McDonnell Nursery for the three striking tea table arrangements. Many luncheons were held before the tea—one large one was in the Diablo Country Club's dining room.

## Just a few of the crew who were there . . .

There were—Thelma Sweet, "Steve" Hucke, Jane Holmgren, Pat White, Van Holmgren, Laurie Abbes and her mother, Mrs. Alice Davis, Betty Burgen, Dee Patterson, Mildred Pridemore, Jane Peck, Margaret Ann Brown, June Meriam and Dorothy Lundblad. Lunching, too, were Mrs. Edward Counter and a friend. Mrs. F. E. Forsburg, one of those who poured, looked golden and lovely in a cream, wool suit trimmed with leopard—with a halo-type hat of the same fur. Gladys Gardiner, a charter member, was petite and chic in a slim Christmas green sheath and Pat Raley was darkly smart in a deep moss green wool—her brunet locks lustrously lovely.

Isabelle (Mrs. L. R. ) Bryan, who brought a group of friends, wore a svelt pearl-grey suit with soft pink accessories. Katherine (Mrs. A. F.) Stringer, in coco-brown and beige, also brought a group of interested friends who were: Ida Clifton, Jane Ball and Iva Taylor.

Others spotted making the tour of the "gorgeous-ful" tables and selecting purchases were Anna Welch, Mildred Mumford, Marge Tomlinson, Louise Sollenberger, Jerry Kronenburg, Vera Jensen, Jean Grave, June Mitchell, Martha Hartzel, Paula Granger, Fran Ostrom, Janet Case, Jean Harp, Mary Iverson, Fran Anderson and Mrs. Irving Fine.

"Holly Bouquets" to the Mmes. Alan Scott, Norman Watson, Sam Bradbard, Charles Rodier, Rix Maurer Jr., W. C. McLaren, Norman Betaque, F. M. Hair, Ernest Jager, Bill Phelan Jr., Ed Wanous and Gerald Ball who, with all of the other Towhees, made this such an unforgettable afternoon!

## Some talk of holidays and guests . . .

Thanksgiving weekend was spent away from home by the Gene Arena family who visited with Jan and Lee Bagby on their lovely ranch near Red Bluff.

Carol and Evert Hodges and daughter, Brenda, spent same in Watsonville where they were house guests of Danny and Skip Sullivan.

This was quite an event—being the first holiday the Hodges family has spent away from home.

Lynn and Larry Dini spent the day at the home of Lynn's grandmother where the entire family gathered. Mrs. Deluchi, the great grandmother (WOW!) of ten, was in second heaven at having them all together for the first time in many years.

Marie Monahan—that woman of so MANY talents—was telling me the other night about a luncheon she gave for her small daughter, Mejan, on her birthday. Naturally there was food—but OH! such delicacies—strictly lady-like fare.

Naturally, there were games—but not the usual screaming variety that make a mother promise herself that "I'll never go through THIS again!" What I loved hearing about most was the frothy, pink and white, whipped cream type of decor. What a lovely change from hula hoop contests, hot dogs and potato (ugh) salads and "let's see who can get into the back seat of the station wagon first when we go to the Saturday matinee!"

Doesn't this sound heavenly? Mr. and Mrs. George Emmanuels of Walnut Creek has just returned from a month's vacation in the Islands as have Mr. and Mrs. Donald Miller.

In contrast—Dr. and Mrs. Robert Martin of Concord, while visiting in Casper, Wyoming, got caught in the midst of the mid-west blizzard. As you would suspect, if you know them, they turned the snow event into a fun event—much to the bewilderment of the natives.

## Nothing old-fashioned about this!

There's nothing like an old-fashioned Thanksgiving—but the following certainly sounds like a sufficient replacement. Gertie and Al Fassero had invited a goodly amount of relatives to their home in Concord—BUT, with the weather what it was (and is) and with golfing as their main delight—the Fasseros called the intended guests and invited them to Silverado Golf Club up Napa way. Soooooo—'twas a day on the fairways followed by a late afternoon dinner in the clubhouse for all.

From all part of the country came relatives of Van and Stan Holmgren—some staying as long as two weeks. On the big day—18 were assembled at the Holmgren home with many of the cousins meeting for the first time. As if this were not ample, a hundred and a half, or so, of their friends were invited to an open house the following evening.

The beautifully decorated rooms were filled to overflowing with "happy-holiday" minded couples who met, for the first time, the honored guests—Ruth and Myron Holmgren of Winnetka, Ill., and Lucille and Bill Adelott who had just returned from three months in Europe.

Jane (glowing in coronation blue jersey) and Ed Holmgren were busy with assisting.

Hostess, Van, looking jewel-like against the setting of autumn-toned blooms—wore an intriguing, jacketed costume of champagne brocade trimmed with mink. And—so go the season's affairs.

Do let me know about YOURS.

GERALD GLEN Friedrichs and his bride, the former Lola Eileen Bartlett enjoyed cutting their wedding cake after their marriage ceremony November 22 at Trinity Lutheran Church in Walnut Creek.

# Lenore Lamb Takes Vow As Bride of Classmate

Miss Lenore Louise Lamb exchanged vows with Ensign Michael Merritt Roberts in an impressive ceremony November 29 in Santa Maria Catholic Church before the Rev. Father John Tierney of Palo Alto.

Exquisite in a white chiffon bridal gown with draped neckline and floating panel in back, and wearing a lace mantilla, Lenore was given in marriage by her father, Malcolm Lamb of Berkeley.

She carried a bouquet of stephanotis and small white rosebuds.

**HER ATTENDANTS** were Jane Rogers, Elaine Mayes and Christin Clark, the bride's cousin. Their frocks were of street-length aqua chiffon, bodices banded with satin piping, and they carried chartreuse spider-chrysanthemums.

Best man was Earl Gilley, and ushers were Peter Roberts, the groom's brother; Harry Turner, George Hagn and Ronald Doll. All were Stanford classmates of the benedict.

Lenore, who graduated from Acalanes High School in 1954 and Stanford University in 1958, is the daughter of Mrs. Clark Lamb, Orinda, and Malcolm Lamb, Berkeley.

At the reception at 38 La Noria, Orinda, the bride's home, her mother appeared in a teal blue silk faille sheath and carried a bouquet of American lilies.

**THE GROOM**, son of Mr. and Mrs. William Roberts of Neenah Wis., also graduated from Stanford in 1958. He was a member of the Los Arcos Club.

For the reception the groom's mother wore a taupe and copper sheath, and carried cymbidium orchids.

After a honeymoon spent skiing at Alta, Utah, and Sun Valley, Idaho, the newlyweds will live in Hawaii, where Ensign Roberts is stationed.

# Mental Health Group Collecting Christmas Gifts

Many local groups such as Girl Scouts, Camp Fire Girls, church and service clubs are helping the member-volunteers of the County Mental Health Association with its annual Christmas project for persons hospitalized because of mental illness and handicaps.

Mrs. Thomas Hodgson, volunteer chairman of the United Crusade Agency, announced that interested groups and individuals can help by donating cookies for the Christmas parties or personal gifts or money.

She commented that at the present time there are over 36,000 patients in the state hospitals for the mentally ill and 9000 in the state hospitals for the mentally retarded.

**LAST YEAR**, admissions from Contra Costa County were 486 mentally ill and 13 mentally retarded.

The state provides basic food and clothing, but personal items and a friendly hand from the community are needed to help those patients who can to get well and to brighten the lives of those for whom there is little pleasure in the drabness and boredom of institutional life.

Mrs. Hodgson said that there is an endless need for cookies or small cakes and homemade candy for the parties.

The local association is also providing small personal presents for patients who have no friends or relatives who are looking after them.

**THOSE WISHING** to donate personal presents should select from the items below, wrap in Christmas paper, label on the outside whether for a man or woman, and item inside.

# You Cannot Renew Books By Phone

Effective immediately, the practice of renewing books by telephone is discontinued throughout the Contra Costa County Library system, according to Mrs. Bertha D. Hellum, county librarian.

Today's accelerated use of the public libraries as information centers means that staff time and skills, the book collections, and all library service facilities must be organized to benefit the maximum number of library users, Mrs. Hellum said.

"The county library staff has been reluctant to take this step," she said, "but we are realizing that library patrons, both adult and children cannot be given equitable basic library services including help in choosing books, locating magaznie articles, and supplying information, when so much of the librarians' time is spent answering the telephone to renew books."

County library statistics show 1957-58 increases of 30 per cent in number of reference questions asked, 32 per cent in number of special requests forwarded from local libraries to headquarters, and 14 per cent in number of books borrowed, over figures compiled for the previous year. Budget increase during the same period was 6/10 of 1 per cent.

Library books may still be renewed, with the exception of new fiction and books for which there are reserves, if the books are brought to the library from which they were borrowed.

A library card may be used to borrow books from any of the county library's 28 branches and stations and the two bookmobiles.

# Show Stars Tallulah

Not since her Regina in "The Little Foxes", or her Sabina in "The Skin of Our Teeth" has Tallulah Bankhead had such a many faceted role as Daisy Filbertson in "Crazy October" coming to the Geary for three weeks beginning Monday, December 15.

Miss Bankhead's new characterization affords her an opportunity for searing wit and explosive speech as the wily proprietress of a shoddy roadside inn in West Virginia, where she rules the roost and has a skeleton in her closet that is more than a figure of speech.

Producer Walter Starcke has also endowed this James Leo Herlihy play with a cast of top Broadway professionals. Joan Blondell as Thelma, the tart with a heart of gold, and Estelle Winwood as the comedy's Miz Cotton have both won the cheers of critics in many of New York's outstanding successes. Jack Weston, Fred Beir, Mary Doyle and J. Frank Lucas are the able aides to this macabre comedy.

There will be two performances on New Year's Eve . . . one at 5 p.m. and the other at 8:30. Matinee days are Saturdays with one Wednesday matinee on December 17th and a Christmas Day matinee on Thursday.

# 'Tables' on View Again This Week at Town Hall

Last Friday and Saturday evenings, The Dramateurs were unable to accommodate many patrons for seats for performances has been sold to sponsored groups.

The Dramateurs are therefore repeating "Separate Tables" tonight and tomorrow night at the corner of Moraga Road and School Street.

**LAST WEEKEND** a portion of the stairway from the lobby to the second floor was completely rebuilt with new risers and treads, in accordance with recommendations of the County Building Inspection Department.

This week windows will be repaired and placed in good working condition in anticipation of wet weather.

"As time goes on more and more improvements will be made to the TownHall. It is the aim of The Dramateurs to make Town Hall, within limits, as much of a show place as possible," said Clarence E. Betz, the group's business manager.

# Yule Meal Problems for Dieters? Here's Help

The Christmas feast often poses problems for people whose physicians prescribe a diet low in sodium. And the meal-planner is confronted with extra work if she must prepare two sets of meals to provide for the dieter.

Those faced with this problem are offered help by the Contra Costa County Heart Association.

A holiday menu, complete with recipes for preparing foods suitable for the heart patient on a sodium-restricted diet, is available free.

Many heart patients in Contra Costa County are on sodium-restricted diets prescribed by their physicians, according to Dr. Harold Robinson, chairman of the special diet committee for the County Heart Association.

The menu features the traditional Christmas turkey, along with the usual trimmings. Recipes omit salt and substitute flavorful herbs, spices and other seasonings in the preparation of low sodium dressing, orange pineapple mashed sweet potatoes and cranberry salad topped with pumpkin pie.

Dishes are so palatable they may be served to the entire family as well as the patient. Individuals may add salt or butter to the prepared dishes at the table or some homemakers may wish to prepare two portions, adding salt and butter to the family portion.

Menus and recipes are available from the Contra Costa County Health Association, 2030 North Main, Walnut Creek, or by calling YEllowstone 5-1060 or Enterprise 1-1929.

# Horsemen's Association To Install Officers

One of the outstanding social events of the year for valley horsemen will be the Contra Costa County Horsemen's Association installation of officers dinner and dance at the Don Fernando Pacheco Adobe in Concord Saturday evening.

John Miller, of Martinez, first president of the association, will be the installing officer, assisted by the outgoing officers of the club.

John Nunes, of Concord, will prepare a barbecued chicken dinner which will be served by the Contra Costa County Junior Horsemen's Association.

Officers to be installed are: President: Ted Albro, of Walnut Creek; Vice - President: Neff Christie, of Clayton; Secretary: Jeanne Maggi, of Antioch; and Treasurer: Kit Schoenberger, of Concord.

Seated as the board of directors will be Joe Hallet, Emmett Deaton, Charlie Christensen, and Phil Shoenberger of Concord, and Roy Lee of Port Chicago.

Harry Tomlin, of Concord, is the outgoing president of the association.

# Control of Billboards Is Backed

A resolution endorsing "reasonable control" of highway billboards in order to preserve landscape beauty has been approved by the Contra Costa County Park and Recreation Council, William Drake, president, announced.

The council supports the California Roadside Council in urging that state laws be enacted to regulate location and size of billboards along inter-state highways and state freeways, he said.

The Federal Highway Act of 1958 establishes national policy for billboard control and offers a federal bonus to those states which adopt the standards, he added.

A California legislative subcommittee has been conducting hearings in varied sections of the state, prior to presenting a billboard control law.

James Hupp of Orinda is serving as the liaison man between the County Park and Recreation Council and California Roadside Council in an effort to keep the local board of directors advised of all current developments.

Officers recently elected to serve with Drake are vice-presidents William Penn Mott, Jr., Orinda; Mrs. Mildred Winslow, Orinda; Jerome Kohl, Berkeley; Alvin A. Burton, Concord; James Hokanson, Concord; Dr. H. G. Loewenstein, Pittsburg; secretary, Mrs. F. J. Clune, Walnut Creek; and treasurer, Edward W. Koskinen, Concord.

# Walnut Heights PTA Planning Big Program

Five countries are to be represented at the Christmas program meeting of the Walnut Heights PTA Wednesday at 8 p.m.

Foreign students from the Diablo Valley College will speak on the Christmas customs in their countries.

Speakers and countries represented will be: Miss Brigitte Meyer, Germany; Mr. Paris Farzar, Iran; Mr. Gaime Lizarraga, Peru; Mr. Hans deGraef, Holland; and Miss Socorro Luna, Mexico.

Also scheduled for this meeting is a performance by the school orchestra under the direction of Mr. Shirley Ramsey, district music teacher.

According to Alden Mackay, principal, Christmas carols will be sung by Mrs. Marie McLaurin's fourth grade class and Mrs. Sylvia Henderson's combination fifth, sixth grade class.

The colors will be presented by Cub Scout Pack 239, Den 8.

A short business meeting will preceed the evenings entertainment.

Parents and friends are invited to come early as there will be a coffee hour starting at 7:30 p.m.

Mrs. Freeman House, PTA president, reported at the November board meeting that two new chairmen had been appointed. They are Mrs. R. M. Simison, projects evaluation and Mrs. LeRoy Soltau, safety chairman.

# TB Seal Group Is Sending Reminders

Cards reminding Contra Costans to send in their contributions for the Christmas Seals they received last month are being mailed out this week by the Contra Costa Tuberculosis and Health Association.

During the week it takes to address the reminder cards many contributions are received.

Residents of the county who have sent their contributions and who receive a reminder card are asked to consider the card as a "Thank You" message from their TB Association.

Dr. Charles J. Hart, Christmas Seal Sale chairman, reported that returns so far in the campaign total $30,425.38.

"The raising of funds is not the sole purpose of the annual Christmas Seal Sale," he said. "The Christmas Seal letter carries into every home the facts about TB and the message that TB is everybody's problem."

# Symphony Plays In SF Next Week 'The Messiah'

Handel's "Messiah" will be presented by the San Francisco Symphony Orchestra, under the baton of Maestro Enrique Jorda, at the War Memorial Opera House Wednesday and Thursday evenings, and next Friday afternoon.

This majestic oratorio will serve as an appropriate prelude to the forthcoming Christmas season.

Distinguished soloists to be featured are Dorothy Warenskjold, soprano; Katherine Hilgenberg, contralto; Raymond Manton, tenor, and McHenry Boatwright, baritone.

Participating choral groups will be the University of California Chorus, Edward B. Lawton, director; and the University of California Glee Club and Treble Clef Society, Robert P. Commanday, director.

Tickets are available for the Thursday evening and Friday afternoon performances of "The Messiah" at the Opera-Symphony box office, Sherman, Clay and Company, EX 7-0717, and all Bay Area agencies.

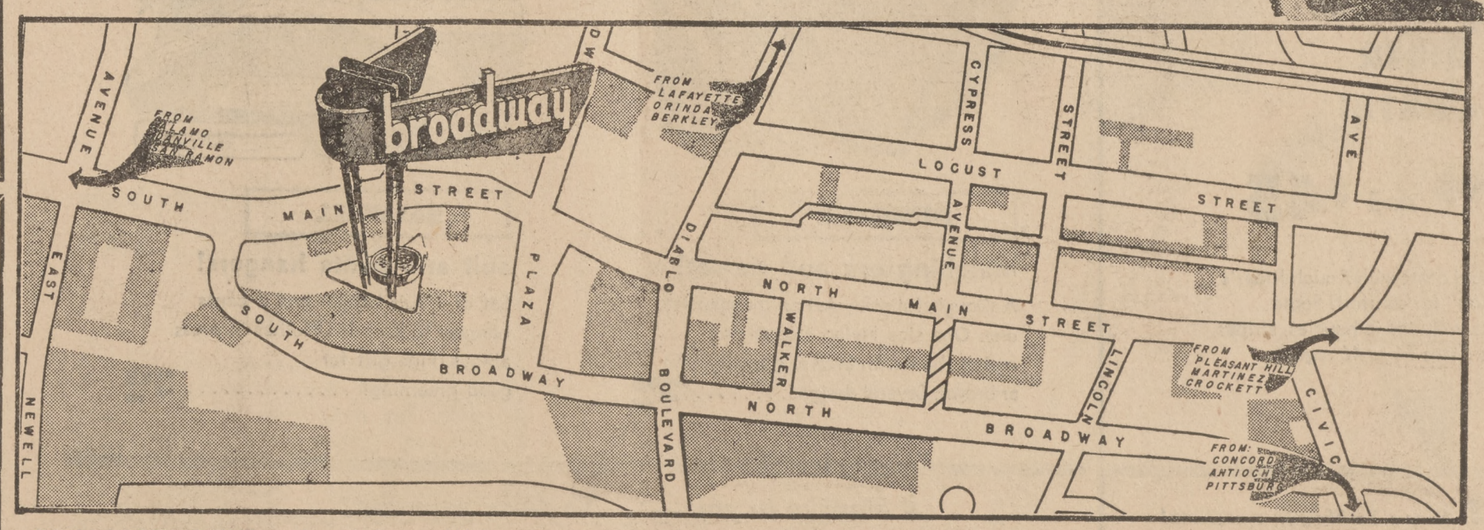
## Plenty of parking in Broadway and Walnut Creek



**IT IS EASY TO DRIVE,** park and shop in Walnut Creek as the above map testifies. This is due to the new arterials like North Broadway and California Boulevard, which feed traffic to and from Broadway Plaza. The extensions of Mt. Diablo, Cypress Avenue and Commercial Lane make circulation faster, simpler. The extensive parking, shown by shaded areas, has been augmented by big, new lots on the corners of Mt. Diablo Boulevard. Broadway Shopping Center alone has 2200 parking spaces—and there are thousands of others throughout Walnut Creek.

# Stores Open in Broadway Every Night to Christmas

Most stores in the Broadway Shopping Center will be open every night, Monday through Friday, until Christmas, according to Don Senior, member of the Broadway Merchants Association.

Senior pointed out that stores will be open days, Monday through Saturday, and will be open 5 nights per week. Stores will also be open December 26, the day after Christmas until 9 p.m.

"STORES WILL BE closed, however, Christmas Eve," Senior noted.

"This will give the whole family a chance to go shopping together," he commented.

"Merchants in the Center have been planning for quite a while to insure that the largest selection possible is on hand for the most particular customer," Senior continued.

"It has been our intention to be able to fill the need of every customer for every type of gift. With the many stores in the Center, we feel as though we have fulfilled this intention," said Senior.

"THE MERCHANTS have not only stocked their shelves to capacity for expected throngs, but also are proud of the ample parking which is afforded to customers,' Senior stated.

"With the complete selection of goods, ample parking and convenient store hours, we know everyone will find the Center to be the ideal place to do Christmas shopping," concluded Senior.

# Business Executive Points To Outstanding Sales Year

"We are looking forward to one of the most prosperous years in our history and in particular to one of the most active Christmas seasons," said Bruce Goldman, president of Goldman's.

"We do not use idle words when we, in the industry, speak of tremendous stocks and overflow crowds," he continued.

"There may be cases when stores are out of a certain size or particular color because it is nearly impossible to stock for the thousands who are flocking to shops during the holiday season," the clothing executive commented.

"Business has been excellent over the past months and we expect even a greater volume in the months to come. We know that more and more persons are buying more and better items," stated Goldman.

"Business has been good and because of this fact we can pass along to the public great savings and a wider assortment of goods than has ever been offered in the history of many-a-firm," he pointed out.

# Way to a Man's Heart . . . ? A Simple Slip of Paper!

The old proverb has it that the way to a man's heart lies through his stomach. But to quote another famous line, this time from a song, "It ain't necessarily so!"—especially at Christmas time when a man's heart has got to be made happy.

This year, more than ever, a man is bound to be made happy at Christmas time with a simple slip of paper marked, "Gift Certificate". Revolutionizing the whole men's gift - shopping approach is this sound and sensible solution to ease the problems of the giver and please the heart of the receiver — father or son, husband or boy friend.

**REPORTING ON** the gift certificate trend, the American Institute of Men's and Boys' Wear says this increasingly popular plan covers virtually everything man or boy could want in his all-important wearables these days.

It's the perfect answer to such Christmas shopping puzzlers as: What are his personal tastes in color, style or design? How about correct sizes? How about the need for try-ons first?

Take hats, for instance. Will the man you have in mind look best in an Ivy League snap brim, a business-like homberg, a rakish Tyrolean or will he be among the first to wear one of the newly revived derbies? Does he need a roll-up lightweight travel felt, a tweed hat for sports wear, a cap for casual wear or motoring or, perhaps, one of the smart new mixture felts that blend so well with tweed topcoats and overcoats?

**CONFUSING? YOU** bet it is. It's a problem to be solved by both the fellow who is going to wear the hat and the expert who will help him in his selection. However, all of this is happily out of your hands when you give him a hat gift certificate.

The same applies to gifts of sports jackets, slacks, shirts for either business or sports wear and suits. Sports jackets and slacks usually need alterations and shirts are among the items most frequently exchanged because the incorrect size was ordered. Suits, of course, call for try-ons.

# TB Group Seeks Ornamental Contributions

Individuals wishing to supply ornaments or Christmas trees for the patients at the county hospital are invited to call the Contra Costa Tuberculosis and Health Association it was announced today by Mrs. Ernest Terry, chairman of the Patient Services Committee of the local association.

"In the past years both the association office and the hospital have had many calls from persons wishing to do something to make the patients Christmas a more cheerful one", said Mrs. Terry.

"To eliminate duplications and also to aid the hospital staff this plan is being tried this year."

Persons wshing to help in this way are invited to call either the Contra Costa TB Association's office or Mrs. Terry.

Information on sizes of trees needed and types of decorations that are desired will be available.

## Stockings Still are Part Of Christmas Traditions

The stocking hung by a fireplace is part of the great Christmas tradition, and socks placed under the Christmas tree are an equally well observed rite.

Size is no longer a factor in the giving of men's socks now that those wonderful stretch yarns are being used, reports the American Institute of Men's and Boys' Wear, so you can select his favorite colors and patterns with complete confidence.

**SELECT SUBDUED** color ribs for wear with business and dress outfits. These may be decorated with colored clocks or even small patterned side panels.

For sportswear, choose the brighter colors and bolder patterns such as diamonds and argyles. Spiral stripes and big bulky knits for wear with the very popular big knit sweaters, are good casual socks, too.

Full length socks that are self-supporting and rise to a height just under the knee are becoming more and more popular.

## Winter Vacation Planning Gives Clues to Shopping

Travel authorities tell us the latest vacation wrinkle is to get away from it all during the winter season — south-bound for those who want to avoid the rigors of winter cold — and north-bound for the hardy sportsmen who follow the ski trails.

It all adds up to a whole new set of clues for Christmas shoppers who want to give the right thing to the men on their list. What could be more perfect, the American Institute of Men's and Boys' Wear suggests, than presenting the man about to take off for a winter vacation with the things he most needs to make the occasion as fun-filled and enjoyable as possible.

**HERE ARE SOME** timely hints offered by the institute for these lucky fellows:

Southern sojourners will need beach robes, cabana sets, swim suits, beach sandals, short sleeved sport shirts, lightweight sweaters, cool slacks, colorful belts, walk shorts, cummerbund and bow tie sets to wear with their tropical formalwear, sports socks, lightweight raincoats, wash-wear dress shirts and, of course, blazers and sports jackets.

How should you select these items? Select the lighter weight beach robes and cabana sets, they are easier to pack. Swim trunks range all the way from boxer types to knee-length knits preferred by skin divers. Gear your gift to his swim needs. Beach shoes range from leather, canvas or plastic sandals to fabric-topped rope-soled espadrilles that can be worn for sailing or walking as well as on the beach.

**SHORT-SLEEVED** sport shirts are equally popular in cut-and-sewn and knit constructions. Wash-wear shirts permit him to cut down on the number he packs, make him less dependent on laundry service. Light-weight sweaters in long-sleeved pull-overs, sleeveless pull-overs and button-front cardigans are great for chilly evenings or breezy days on the water.

Cool slacks come in wash-wear as well as in tropical-type worsteds, linens and a host of colorful styles in both pleated and Ivy models. Elastic stretch belts, braided rope belts and leather belts are all appropriately styled for wear with summer weight suits and slacks.

When you shop at home you help yourself and your community.

## There's Plenty of Parking Space in Walnut Creek!

There is no parking problem in Walnut Creek, Mrs. Betty Batesole, member of the Broadway Merchants' Association, said in commenting on new parking facilities in shopping areas.

"There was a time, and not so long ago, when parking was a definite problem. Now, in the Broadway Shopping Center alone, there are over 2200 individual parking stalls," she stated.

There are parking lots behind Capwell's, Joseph Magnin, Broadway Pharmacy and adjacent to the Lucky Foods Store, she noted.

In addition to these parking areas, there are additional areas across from Sterling Furniture Company and at the new municipal parking lot.

Just a few seconds away from the shopping center are two other large parking facilities, at Jackson's on Broadway Plaza and the Safeway store on South Main and Newell, Mrs. Batesole commented.

There are numerous lots throughout the Main and Locust Street areas, she concluded.

## First Approval Given College Building Plans

Preliminary approval by the San Francisco office of the Housing and Home Finance Agency on a federal loan for construction of a $360,000 dormitory at Saint Mary's College was announced this week by Brother S. Albert, F. S. C., college president.

The dormitory, scheduled to accommodate 100 additional resident students, will be the first new structure on the campus to be built since the war years.

An increase in enrollment of some 18 per cent this year has projected a need by the fall of 1959 for the structure. Present enrollment is 705 men, with 489 in residence on campus.

Milton T. Pflueger of San Francisco has been retained as architect for the project.

# Newsmen Will Meet With CD On Emergencies

Announcement was made today of a meeting of the representatives of newspapers and radio facilities servicing Contra Costa County. This meeting called by Will H. Perry, Jr., Director of Civil Defense for Contra Costa County, for Friday will be a "kick-off" meeting for a proposed news service to work in close conjunction with the area office of Civil Defense in times of disaster.

Perry stated that the proposed emergency news service will follow generally the format of the State Emergency News Service. It is proposed that this news service will be completely staffed by working newspaper and radio reporters.

This Emergency News Service is an innovation in that designated newsmen will be given free access to Civil Defense facilities and work directly with the Information and Educational Service Chief of the County Office of Civil Defense and will be on the spot when the news is happening.

Through careful organization and administration by the increased operating services, it is hoped that a fair and equitable distribution of news will be made during disaster times and that the public will be fully informed through the newspapers and over the radio of just what the situation is, as it develops.

# Last Rites Held

Private services were held November 29 at the Chapel of the Valley for William Roy Anderson, 60, of 1 Las Aromas Way, Orinda.

Anderson leaves his wife, Maymie and a sister Mrs. Elthel J. Clow of Marin County.

Interment was at Oakmont Cemetery, Lafayette.

# Betty Dreams of a Trip to Europe while She Does Her Christmas Shopping . .

By BETTY

What a wonderful world this is! This is the time that the Christmas spirit sets in and it is a wonderful feeling to have.

**JUST THE OTHER DAY** I was in the Broadway Shopping Center and I thought to myself: "Wouldn't it be wonderful to take a trip to Paris, Rome. Cairo, Bombay, Manila and Tokyo?"

**And suddenly I realized that this very wish could become true as I walked into Broadway Pharmacy.**

The pharmacy is offering a trip around the world with all expenses paid to the person who just picks up the right entry blank for this trip via Northwest Orient Airlines.

**ANOTHER PRIZE** offered by Broadway Pharmacy is a free Lionel train. No purchase necessary, all you have to do is to stop in.

**At Capwell's, you just have to stop in and see Santa. He is just wonderful and the children love him. Also there are color pictures taken of the children with Santa.**

Candy Cane is the real theme these days at Goldman's. This is a real party dress for the girls and one that they will be thrilled to wear.

**MEANWHILE AT** Jackson's I saw a marvelous dining set, which calls to mind my little visit with Claude Franklin of Kushin's. He had an interesting hunting trip recently.

Why not drop in and ask him about it as your children enjoy the horses in the children's shoe department?

**ONE OF THE MOST** outstanding values I have seen is now on display at Grodins in Broadway. They have "Swank" imported Swiss watches along with ID bracelets and cuff links. Splendid gift for that particular man in your life.

There are shoes for the entire family at Grande's Shoes right now and when I dropped in, there were some outstanding fashions that I think I will just pamper myself with this Christmas.

If it's real comfort you're after, Sterling Furniture has an answer. I dropped by and spoke to Sal Blasquez and he told me about the Stratorester Reclining Chair.

**It is a handsome recliner and adjusts to any position quickly and easily. A real fine way to say "Merry Christmas."**

Every year I enjoy seeing Joseph Magnin's specially-designed Christmas gift wrappings. And this year is no exception. They are delightful.

Have you seen Penney's Turbo Orlon sweaters? A real value and so very, very comfortable.

Did you know that Davidson & Licht is offering free gift wrapping and free hand engraving with all their wonderful items?

**I dropped in the other day and Carlton Licht told me a little bit about their Oakland and Hayward stores.**

The minute I walked into Smiths I was taken by those bat wing sport shirts! I was certainly impressed by both the styling and the rich brushed flannel with trim that is featured on the shirts.

A handsome piece of material if I have ever seen one!

Well, there are so many things to be done before Christmas, I really should be on my way, but I'll be seeing you soon.

—Betty

## Four Sun Ads Bat '1000'; Saw, Cabins, Drill Sold

There is no question in R. F. Davis' mind that Sun and Sun Shopping News classified ads get the best results, and without delay!

Only in the past month or so. he has sold all the items he listed in four different Sun classifieds.

He sold a table saw and jointer, stand and motor and got seven calls.

He sold a two-room cabin without any trouble, and so he placed another cabin in the Sun classifieds and sold its within a couple of days.

Davis also placed a fourth ad with The Sun, and sold his drill press for the price asked.

Davis is a resident of Sunnyvale Avenue, Walnut Creek.

His ads, like all Sun classifieds, went into the fabulous Sun "Shopper" which is circulated by mail free to 39,000 homes in the central county. They also went into the Walnut Creek Sun, Lafayette Sun, Orinda Sun and Pleasant Hill Sun.

He was charged only a flat rate for each ad, and it ran automatically in all five editions.

The minimum rate is only $1.60 for the 5-in-1 treatment!

Call The Sun now at AT 4-4444 or YE 4-5000. The staff members will take your ad over the phone, and you can pay later that week by mail or in person, whatever you prefer.

## Water Safety Group Seeking 8-Foot Boat

The Water Safety Committee of the Greater Mt. Diablo Chapter, Red Cross, is seeking an eight foot pram(boat).

The committee will form a team to be used to demonstrate Life Saving and small craft safety to be available for the public.

Any person who has an idle Pram(boat) may call the chapter house.

Mrs. Richard Myer, Water Safety chairman, is in charge. Mrs. George Cooper is assisting.

This group welcomed Miss Elizabeth Bettencourt, 3182 Acalanes Avenue, Lafayette.

She is a member of the Acalanes High School faculty. She has completed a refresher course in Water Safety instruction and is now authorized to teach in the Greater Mt. Diablo Chapter.

Next year will be the 50th anniversary of American Red Cross Nursing, of care for the sick, injured and wounded which has been provided in war and peace since 1909.

The national organization and its chapters will all pay homage to all nurses who have embodied the ideal of Red Cross—service to humanity and mitigation of suffering.

Florence Nightingale inspired Henri Dunant, a Frenchman. As a result he started the international Red Cross movement.

After a few years it was decided that nurses for the Red Cross should all wear white armlets with a red cross.

Clara Barton followed and founded the American Red Cross in 1881.

Later, she and Jane A. Delano went into the field to help control yellow fever in Florida. Out of this grew the National Red Cross Nursing Service in 1909.
